Two lives. Two worlds apart.
One deeply compelling story set
in both Bosnia and the United
States, spanning decades and
generations, about the
brutality of war and the trauma
of everyday life after war,
about hope and the ties that
bind us together. Zara and her
mother, Nadja, have a strained
relationship. Nadja just
doesn't understand Zara's
creative passion for, and self-
expression through,
photography. And Zara doesn't
know how to reach beyond their
differences and connect to a
closed-off mother who refuses
to speak about her past in
Bosnia. But when a bomb
explodes as they're shopping in
their local farmers' market in
Rhode Island, Zara is left with

PTSD--and her mother is left in
a coma. Without the opportunity
to get to know her mother, Zara
is left with questions--not
just about her mother, but
about faith, religion, history,
and her own path forward. As
Zara tries to sort through her
confusion, she meets Joseph,
whose grandmother is also in
the hospital, and whose
exploration of religion and
philosophy offer comfort and
insight into Zara's own line of
thinking. Told in chapters that
alternate between Zara's
present-day Providence, RI, and
Nadja's own childhood in Bosnia
and Herzegovina during the
Bosnian War of the 1990s, *We
Are All That's Left* shows the
ways in which, no matter the
time and place, struggle and
tragedy can give way to
connection, healing and love.
Praise for *We Are All That's
Left*: * "A multilayered view of
tragedy and its repercussions."
--Publishers Weekly, *STARRED
REVIEW* * "This complex,

compelling story takes readers
on a deep dive below the
surface, exposing both the
fragility of life and the
redemptive bonds of love."
--Booklist, *STARRED REVIEW*
"This important and timely
novel is a painful, lovely
exploration of mending a mother-
daughter relationship."

Carol Burnett spent most of her childhood in a
Depression-scarred Hollywood neighborhood,
where she lived in a single-room apartment
with her endearingly batty grandmother,
Nanny, a hypochondriacal Christian Scientist
with a buried past. The child of two alcoholic
parents, Burnett presents a sometimes
hilarious, sometimes heartbreaking coming-of-
age: from her sadly hopeful mother, who was
hooked on Tinseltown fantasy, to the first
signs of her own comic gift; from happy
weekends spent with her father, to their last
tragic meeting in a public sanatorium.
Featuring a new Afterword by the author,
about teaming up with her daughter to bring
this story to Broadway, *One More Time* is an
intimate, touching, and astonishing narrative
of a financially desperate but emotionally rich
childhood on the wrong side of Hollywood's
tracks.

Growing Up Fisher Penguin

Based on the true story behind a landmark U.S. Supreme Court Decision, K.D. Alden's debut is a rich and moving story of one woman's courage and determination to get her child back when all odds are stacked against her. Virginia, 1927: All Ruth Ann Riley wants is a chance to have a family. But because she was poor and unwed when she became pregnant, she was sent to an institution and her child was given to another woman. Ruth Ann can't stand the thought of never seeing little Annabel's face again, never snuggling up to her warmth or watching her blue eyes crinkle with laughter. And now they want to take away her right to have any other babies? She is not going to let that happen. All the rich and fancy folks may call her feeble-minded, but Ruth Ann is smarter than any of them have bargained for. Because no matter how high the odds are stacked against her, she is going to overcome the scandals in her past and get her child back. She just never expects her battle will go to the U.S. Supreme Court, or that she'd find unexpected friendships . . . and even the possibility of love along the way.

"One day Jack asked me, 'What color do you see for Monday?' 'What?' I said distractedly. 'Do you see days as colors?' Raising five children would be challenge enough for most parents, but when one of

Ask Emma (Ask Emma Book 1) Wellspring
From the guitarist of the pioneering band Sleater-Kinney, the book Kim Gordon says "everyone has been waiting for" and a New

York Times Notable Book of 2015-- a candid, funny, and deeply personal look at making a life--and finding yourself--in music. Before Carrie Brownstein became a music icon, she was a young girl growing up in the Pacific Northwest just as it was becoming the setting for one the most important movements in rock history. Seeking a sense of home and identity, she would discover both while moving from spectator to creator in experiencing the power and mystery of a live performance. With Sleater-Kinney, Brownstein and her bandmates rose to prominence in the burgeoning underground feminist punk-rock movement that would define music and pop culture in the 1990s. They would be cited as " America ' s best rock band " by legendary music critic Greil Marcus for their defiant, exuberant brand of punk that resisted labels and limitations, and redefined notions of gender in rock. HUNGER MAKES ME A MODERN GIRL is an intimate and revealing narrative of her escape from a turbulent family life into a world where music was the means toward self-invention, community, and rescue. Along the way, Brownstein chronicles the excitement and contradictions within the era ' s flourishing and fiercely independent music subculture, including experiences that sowed the seeds for the observational satire of the popular television

series Portlandia years later. With deft, lucid prose Brownstein proves herself as formidable on the page as on the stage. Accessibly raw, honest and heartfelt, this book captures the experience of being a young woman, a born performer and an outsider, and ultimately finding one's true calling through hard work, courage and the intoxicating power of rock and roll.
