Winner of the National Leather Association's 2008 Pauline Reage Novel Award. Erotic bdsm romance. The ideal D/s relationship for Anders and Maia is nothing less than total power exchange: no games, no negotiations, no safewords. When the two stumble onto each other in an on-line chat room, the fire of their offbeat sexual desires ignites and draws them together for an explosive sexual encounter. For Maia, Anders offers the kind of firm and unyielding dominant she has only dreamed of. For Anders, his new sub is as deliciously erotic as she is submissive to his will. During the first weeks of their relationship, Anders lays down rules for his new possession, while Maia gradually hands over her autonomy, slipping into the obedience that is basic to her nature. Anders explores, manipulates and experiments on both mind and body, all of which she laps up in a continuous state of terror and joy. This beautifully written story depicts a master/slave relationship that is extreme, loving, creative, steeped in imagination, but embedded in the real world. In this passionate, private sexual reality, the balance of power tips only one way.

A trade paperback reissue of National Book Award finalist Mary Gaitskill ’ s debut collection, Bad Behavior—powerful stories about dislocation, longing, and desire which depict a disenchanting and rebellious urban fringe generation that is searching for human connection. • Now a classic: Bad Behavior made critical waves when it first published, heralding Gaitskill ’ s arrival on the literary scene and her establishment as one of the sharpest, erotically charged, and audaciously funny writing talents of contemporary literature. Michiko Kakutani of The New York Times called it “ Pinteresque, ” saying, “ Ms. Gaitskill writes with such authority, such radar-perfect detail, that she is able to make even the most extreme situations seem real... her reportorial candor, uncompromised by sentimentality or voyeuristic charm...underscores the strength of her debut. ”

Fear stops dreams in their tracks before they even have a chance. Then again, so do injuries. Natalia Grekov was born to win a gold medal. As the USA’s top gymnast, she’s calm, confident and ready to make her country proud in just two short months. And her elite athlete lifestyle includes no time for distractions—especially men. When a disastrous fall in practice puts her dreams at risk, it seems the only person who can help her is the one person she wants nothing from. Spencer Russell is gymnastics’ bad boy. A cocky, laid-back charmer with abs of steel and a witty mouth, he waltzes around the U.S. Gymnastics Training Camp like he owns the place—even though he doesn't anymore. After an injury sidelined his career and any chance at glory, he’s now just a coach, helping other gymnasts reach their goals. Serious is not a word in Spencer’s vocabulary. But when Natalia tumbles into his life, he's suddenly sincerely interested in helping the blonde beauty in any way he can. Can they vault over the obstacles standing in their way? Or will Spencer be the distraction that causes Natalia's chance at gold to crash and burn?

Sophisticated and compelling portrayal of female ambition and sexual revalry. In desperate financial straits, aspiring writer Genevieve Carter takes a job as a personal assistant, only to discover that the middle-aged woman she will be working for is none other than her literary heroine, Anne Tournier. Genevieve is at first ecstatic at gaining an introduction to London literary life and Anne's many famous friends. However, her new employer expects rather more from her assistant than was implied in the advert and Genevieve gradually becomes enmeshed in a web of sexual intrigue and experimentation with men and women. Then, by accident, she learns that she has been cast as the heroine of an erotic novel that Anne is writing. Determined to get her own story out first, Genevieve starts a blog where she relates her sexual liaisons to a growing and appreciative readership. Lured by the prospect of a lucrative publishing deal, a competition ensues between mistress and apprentice, one which will push Genevieve to her artistic and erotic limits.

AVAILABLE FOR THE FIRST TIME IN eBook! A man returns to the town where a baffling murder took place 27 years earlier, determined to get to the bottom of the story. Just hours after marrying the beautiful Angela Vicario, everyone agrees, Bayardo San Roman returned his bride in disgrace to her parents. Her distraught family forced her to name her first lover; and her twin brothers announced their intention to murder Santiago Nasar for dishonoring their sister. Yet if everyone knew the murder was going to happen, why did no one intervene to stop it? The more that is learned, the less is understood, and as the story races to its inexplicable conclusion, an entire society--not just a pair of murderers—is put on trial. Gabriel García Márquez was born in Colombia in 1927. He was awarded the Nobel Prize in Literature in 1982. He is the author of many works of fiction and nonfiction, including One Hundred Years of Solitude, Love In The Time Cholera, The Autumn Of The Patriarch, The General In His Labyrinth, and News Of A Kidnapping. Two lives. Two worlds apart. One deeply compelling story set in both Bosnia and the United States, spanning decades and generations, about the brutality of war and the trauma of everyday life after war, about hope and the ties that bind us together. Zara and her mother, Nadja, have a strained relationship. Nadja just doesn't understand Zara's creative passion for, and self-expression through, photography. And Zara doesn't know how to reach beyond their differences and connect to a closed-off mother who refuses to speak about her past in Bosnia. But when a bomb explodes as they're shopping in their local farmers' market in Rhode Island, Zara is left with PTSD--and her mother is left in a coma. Without the opportunity to get to know her mother, Zara is left with questions--not just about her mother, but about faith, religion, history, and her own path forward. As Zara tries to sort through her confusion, she meets Joseph, whose grandmother is also in the hospital, and whose exploration of religion and philosophy offer comfort and insight into Zara's own line of thinking. Told in chapters that alternate between Zara's present-day Providence, RI, and Nadja's own childhood in Bosnia and Herzegovina during the

Hockey meets the #MeToo movement in this powerful debut novel. Michigan Manning lives for hockey, and this is her year to shine. That is, until she gets some crushing news: budget cuts will keep the girls' hockey team off the ice this year. If she wants colleges to notice her, Michigan has to find a way to play. Luckily, there's still one team left in town ... The boys' team isn't exactly welcoming, but Michigan's prepared to prove herself. She plays some of the best hockey of her life, in fact, all while putting up with changing in the broom closet, constant trash talk and “harmless” pranks that always seem to target her. But once hazing crosses the line into assault, Michigan must weigh the consequences of speaking up — even if it means putting her future on the line.

A remarkably candid biography of the remarkably candid—and brilliant—Carrie Fisher In her 2008 bestseller, Girls Like Us, Sheila Weller—with heart and a profound feeling for the times—gave us a surprisingly intimate portrait of three icons: Carole King, Joni Mitchell, and Carly Simon. Now she turns her focus to one of the most loved, brilliant, and iconoclastic women of our time: the actress, writer, daughter, and mother Carrie Fisher. Weller traces Fisher's life from her Hollywood royalty roots to her untimely and shattering death after Christmas 2016. Her mother was the spunky and adorable Debbie Reynolds; her father, the heartthrob crooner Eddie Fisher. When Eddie ran off with Elizabeth Taylor, the scandal thrust little Carrie Frances into a bizarre spotlight, gifting her with an irony and an aplomb that would resonate throughout her life. We follow Fisher's acting career, from her debut in Shampoo, the hit movie that defined mid-1970s Hollywood, to her seizing of the plum female role in Star Wars, which catapulted her to instant fame. We explore her long, complex relationship with Paul Simon and her relatively peaceful years with the talent agent Bryan Lourd. We witness her startling leap—on the heels of a near-fatal overdose—from actress to highly praised, bestselling author, the Dorothy Parker of her place and time. Weller sympathetically reveals the conditions that Fisher lived with: serious bipolar disorder and an inherited drug addiction. Still, despite crises and overdoses, her life's work—as an actor, a novelist and memoirist, a script doctor, a hostess, and a friend—was prodigious and unique. As one of her best friends said, “I almost wish the expression ‘one of a kind’ didn't exist, because it applies to Carrie in a deeper way than it applies to others.” Sourced by friends, colleagues, and witnesses to all stages of Fisher's life, Carrie Fisher: A Life on the Edge is an empathic and even-handed portrayal of a woman who—as Princess Leia, but mostly as herself—was a feminist heroine, one who died at a time when we need

her blazing, healing honesty more than ever.
