'If you don't love and honour yourself with every fiber of your being, if you struggle with owning your power and passion, then it is time for an inner revolution! It is time to claim your Warrior Goddess energy.' This is a book that teaches women to see themselves as perfect just the way they are, to resist society's insistence that they seek value, wholeness and love through something

outside themselves, such as a husband, children, boyfriend, career or a spiritual path. Author HeatherAsh Amara has written this book as a message for women struggling to find themselves under these false ideals. Amara challenges women to be 'warrior goddesses', to be a woman who: • Ventures out to find herself • Combats fear and doubt • Reclaims her power and vibrancy • Demonstrates her strength of

compassion and fierce love Her approach draws on the wisdom from Buddhism, Toltec wisdom and ancient earth-based goddess spirituality, and combines them all with the goal of helping women become empowered, authentic and free. Included here are personal stories, rituals and exercises that encourage readers to begin their own journey towards becoming warrior goddesses. Our Missing Hearts HarperCollins
