NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and

opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Suddenly, he is stronger, fiercer, and more confident than ever before. And it feels great—until he loses control of his own strength and nearly kills another player during soccer team tryouts. Soon, Jack learns the startling truth about himself: He is Weirind; part of an underground society of magical people who live among us. At the head of this magical society sit the feuding houses of the Red Rose and the White Rose, whose power is determined by playing The Game: a magical tournament in which each house sponsors a warrior to fight to the death. The Teachings of Don Juan Independently Published

An engrossing and revolutionary biography of Isabella of Castile, the controversial Queen of Spain who sponsored Christopher Columbus's journey to the New World, established the Spanish Inquisition, and became one of the most influential female rulers in history. In 1474, when most women were almost powerless, twenty-three-year-old Isabella defied a hostile brother and a mercurial husband to seize control of Castile and León. Her subsequent feats were legendary. She ended a twenty-four-generation struggle between Muslims and Christians, forcing North African invaders back over the Mediterranean Sea. She laid the foundation for a unified Spain. She sponsored Columbus's trip to the Indies and negotiated Spanish control over much of the New World. She also annihilated all who stood against her by establishing a bloody religious Inquisition that would darken Spain's reputation for

centuries. Whether saintly or satanic, no female leader has done more to shape our modern world. Yet history has all but forgotten Isabella's influence. Using new scholarship, Downey's luminous biography tells the story of this brilliant, fervent, forgotten woman, the faith that propelled her through life, and the land of ancient conflicts and intrigue she brought under her command.
