An engrossing and revolutionary biography of Isabella of Castile, the controversial Queen of Spain who sponsored Christopher Columbus's journey to the New World, established the Spanish Inquisition, and became one of the most influential female rulers in history. In 1474, when most women were almost powerless, twenty-three-year-old Isabella defied a hostile brother and a mercurial husband to seize control of Castile and Le ó n. Her subsequent feats were legendary. She ended a twenty-four-generation struggle between Muslims and Christians, forcing North African invaders back over the Mediterranean Sea. She laid the foundation for a unified Spain. She sponsored Columbus ’ s trip to the Indies and negotiated Spanish control over much of the New World. She also annihilated all who stood against her by establishing a bloody religious Inquisition that would darken Spain ’ s reputation for centuries. Whether saintly or satanic, no female leader has done more to shape our modern world. Yet history has all but forgotten Isabella ’ s influence. Using new scholarship, Downey ’ s luminous biography tells the story of this brilliant, fervent, forgotten woman, the faith that propelled her through life, and the land of ancient conflicts and intrigue she brought under her command.

The Indian in the Cupboard Princeton University Press

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, “ The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death. ” Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, The Power of Now is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

Rise to Your Destiny Warrior of the Light is a timeless and inspirational companion to The Alchemist—an international bestseller that has beguiled millions of readers around the world. Every short passage invites us to live out our dreams, to embrace the uncertainty of life, and to rise to our own unique destiny. In his inimitable style, Paulo Coelho helps bring out the Warrior of the Light within each of us. He shows readers how to embark upon the way of the Warrior: the one who appreciates the miracle of being alive, the one who accepts failure, and the one whose quest leads to fulfillment and joy.

The Epic of Gilgamesh Scholastic Inc.

#1 New York Times Bestseller Oprah's Bookclub 2016 Selection "Riveting...a worthy investment...this book has real wisdom." —New York Times Book Review "A book with so much painful truth packed into its pages that every person who ’ s ever married or plans to marry should really give it a read." —Chicago Tribune "Provocative....I adore her honesty, her vulnerability, and her no-nonsense wisdom, and I know you will, too." —Oprah Winfrey "This memoir isn ’ t really about Glennon rebuilding her relationship with her husband; it is about Glennon rebuilding her relationship with herself. Utterly refreshing and...badass." —Bustle.com The highly anticipated new memoir by bestselling author Glennon Doyle tells the story of her journey of self-discovery after the implosion of her marriage. Just when Glennon Doyle Melton was beginning to feel she had it all figured out—three happy children, a doting spouse, and a writing career so successful that her first book catapulted to the top of the New York Times bestseller list—her husband revealed his infidelity and she was forced to realize that nothing was as it seemed. A recovering alcoholic and bulimic, Glennon found that rock bottom was a familiar place. In the midst of crisis, she knew to hold on to what she discovered in recovery: that her deepest pain has always held within it an invitation to a richer life. Love Warrior is the story of one marriage, but it is also the story of the healing that is possible for any of us when we refuse to settle for good enough and begin to face pain and love head-on. This astonishing memoir reveals how our ideals of masculinity and femininity can make it impossible for a man and a woman to truly know one

another—and it captures the beauty that unfolds when one couple commits to unlearning everything they ’ ve been taught so that they can finally, after thirteen years of marriage, commit to living true—true to themselves and to each other. Love Warrior is a gorgeous and inspiring account of how we are born to be warriors: strong, powerful, and brave; able to confront the pain and claim the love that exists for us all. This chronicle of a beautiful, brutal journey speaks to anyone who yearns for deeper, truer relationships and a more abundant, authentic life.

The Aeneid Advantage Media Group

No one can sit on the sidelines today when it comes to spiritual matters. A war is going on between good and evil, and every believer is involved. Venomous (Alien Warrior) Harvest House Publishers

The stunning third book in Jennifer A. Nielsen's New York Times bestselling Traitor's Game series!

Almost Famous Women Anchor

Aeneas appears in The Illiad in vague snatches and starts as a traveling warrior of great piety who was loosely connected to the foundation of Rome. Virgil weaves these fragments into a powerful myth about the founding of Rome in The Aeneid. Aeneas travels from his native Troy to Italy then wages victorious war upon the Latins.

The Warrior Diet Hachette UK

From New York Times bestselling author Rachel Held Evans: a must-read for anyone on the journey of doubt, deconstruction, and ultimately faith reborn. Eighty years after the Scopes Monkey Trial made a spectacle of Christian fundamentalism and brought national attention to her hometown, Rachel Held Evans faced a trial of her own when she began to have doubts about her faith. In Faith Unraveled, Rachel recounts growing up in a culture obsessed with apologetics, struggling as her own faith unraveled one unexpected question at a time. In order for her faith to survive, Rachel realizes, it must adapt to change and evolve. Using as an illustration her own spiritual journey from certainty to doubt to faith, Evans challenges you to disentangle your faith from false fundamentals and to trust in a God who is big enough to handle your tough questions. In a changing cultural environment where new ideas seem to threaten the safety and security of the faith, Faith Unraveled is a profoundly moving, fearlessly honest, and relentlessly hopeful story of survival. This book was previously titled Evolving in Monkey Town.

Command Of The Air Carry On, Warrior

WAY OF THE PEACEFUL WARRIOR has become one of the most beloved spiritual sagas of our time. Shared among friends and families, this million-copy word-of-mouth bestseller has inspired men and women of all ages in twenty languages worldwide. Despite his success, college student and world-champion athlete Dan Millman is haunted by a feeling that something is missing from his life. Awakened one night by dark dreams, he wanders into an all-night gas station, meets an old man named Socrates, and his world is changed forever. Guided by this eccentric old warrior, drawn to an elusive young woman named Joy, Dan begins a spiritual odyssey into realms of light and shadow, romance and mystery, toward a final confrontation that will deliver or destroy him. This classic tale, told with heart and humor, speaks to the peaceful warrior in each of us. Countless readers have been moved to laughter and tears - even moments of illumination - as they rediscover life's larger meaning and purpose. Journey with Dan on the peaceful warrior's path to unreasonable happiness. Find out for yourself why this book changes lives.

The Overstory: A Novel Grand Central Publishing

From Mercy Ships surgeon Dr. Mark G. Shrimme comes an inspiring memoir about finding the answer to life's biggest question—"Why?"—and about following that answer through remarkable, unlikely places on the road to fulfillment, purpose, and joy. SOLVING FOR WHY chronicles one man's journey to find the answer to the biggest of all life's questions: "Why?" Following a traumatic car accident, Dr. Shrimme—the child of Lebanese immigrants fleeing a civil war, who later became a successful practicing surgeon in Boston—found himself compelled to change the course of his life, determined to find meaning and satisfaction even if it meant diverting from America ’ s idea of “ success. ” Featuring stories, insights, and research from his own exceptional life and work, SOLVING FOR WHY is the story of Dr. Shrimme's search for—and discovery of—lifelong fulfillment. Now a global surgeon operating on a hospital ship docked off the coast of West Africa and one of the few global experts on surgery in low- and middle-income countries, Dr. Shrimme seeks to impart the wisdom of the lessons he ’ s learned over the course of his search for a life of true contentment. In the tradition of Dr. Paul Farmer's To Repair the World, Dr. Atul Gawande's Better, and Dr. Michele Harper's The Beauty in Breaking, SOLVING FOR WHY combines personal stories with deep, thoughtful research into the challenges of working in modern medicine in the 21st century and the commodification of work in America. A story of discovery and transformation, SOLVING FOR WHY seeks to help readers answer the “ why ” of their own lives and ultimately find joy outside the status quo.

The Warrior Heir Simon and Schuster

The designer of Unreal and Gears of War offers an eye-opening personal account of the video game industry as it grew from niche hobby to hundred-billion-dollar enterprise. Video games are dominating the planet. In 2020, they brought in \$180 billion dollars globally—nearly \$34 billion in the United States alone. So who are the brilliant designers who create these stunning virtual worlds? Cliff Bleszinski—or CliffyB as he is known to gamers—is one of the few who ’ ve reached mythical, rock star status. In Control Freak, he gives an unvarnished, all-access tour of the business. Toiling away in his bedroom, Bleszinski created and shipped his first game before graduating high school, and at just seventeen joined a fledgling company called Epic Games. He describes the grueling hours, obscene amounts of Mountain Dew and

obsessive focus necessary to achieve his singular creative visions. He details Epic ’ s rise to industry leader, thanks largely to his work on bestselling franchises Unreal and Gears of War (and, later, his input on a little game called Fortnite), as well as his own awkward ascent from shy, acne-riddled introvert to sports car-driving celebrity rubbing shoulders with Bill Gates. As he writes, “ No one is weirder than a nerd with money. ” While the book is laced with such self-deprecating humor, Bleszinski also bluntly addresses the challenges that have long-faced the gaming community, including sexism and a lack of representation among both designers and the characters they create. Control Freak is a hilarious, thoughtful, and inspiring memoir. Even if you don ’ t play games, you ’ ll walk away from this book recognizing them as a true art form and appreciating the genius of their creators.

Prayer Warrior HarperCollins

“ I have had the chance to meet Melissa and hear her amazing story in person. In this book, Melissa shares insight on how she became a warrior and fought back to become the champion she is today. She is a great example of perseverance in the face of what appears to be insurmountable hurdles. Her love of country is strong and carries through her joining the military and representing Team USA in the Paralympic Games. A true champion in many ways. ” —Jackie Joyner Kersee “ Melissa ’ s story of strength and courage is not only incredibly moving, it is a must-read for anyone facing any challenge. Clearly her passion for country and sport drives every one of her accomplishments. From a young gymnast like I was, to representing the United States in Paratriathlon, Melissa inspires us all with her story of overcoming unimaginable adversity and what it truly means to be unstoppable. ” —Shannon Miller Melissa Stockwell has been a restless force of nature from the time she was a little girl speeding around her neighborhood on her bike, to her tumbles and spills as a high-level gymnast and Olympic hopeful, to joining the ROTC in college as an outlet for her patriotism and love of America. After 9/11, she was deployed to Iraq as a commissioned Army officer, where she suffered the injury that would change her life forever. After a long and challenging recovery at Walter Reed Hospital, she exercised her power of choice to channel her energy into competition, winning three Paratriathlon World Championships and medaling at the 2016 Rio Paralympics. Her journey weaves service to her country and the heartache of a painful divorce along with founding a successful nonprofit, launching a career in prosthetics, finding new love, and becoming a mother to two children. Along the way, she meets all the living American presidents and inspires others with disabilities—through a story that is riveting, moving, and an inspiration for anyone who would choose to live their life to the fullest.

The Teachings of Don Juan North Atlantic Books

Adventure abounds when a toy comes to life in this classic novel! It's Omri's birthday, but all he gets from his best friend, Patrick, is a little plastic warrior figure. Trying to hide his disappointment, Omri puts his present in a metal cupboard and locks the door with a mysterious skeleton key that once belonged to his great-grandmother. Little does Omri know that by turning the key, he will transform his ordinary plastic toy into a real live man from an altogether different time and place! Omri and the tiny warrior called Little Bear could hardly be more different, yet soon the two forge a very special friendship. Will Omri be able to keep Little Bear without anyone finding out and taking his new friend away?

Summary of Carry On, Warrior Macmillan

#1 NEW YORK TIMES BESTSELLER • OVER TWO MILLION COPIES SOLD! “ Packed with incredible insight about what it means to be a woman today. ” —Reese Witherspoon (Reese ’ s Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and “ patron saint of female empowerment ” (People) explores the joy and peace we discover when we stop striving to meet others ’ expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • The Washington Post • Cosmopolitan • Marie Claire • Bloomberg • Parade • “ Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal. ” —Elizabeth Gilbert, author of City of Girls and Eat Pray Love This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn ’ t it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world ’ s expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, Untamed is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member ’ s ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. Untamed shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

No More Vietnams The Floating Press

Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house.

Control Freak HarperCollins

A New York Times essayist shares her journey from a self-destructive college student to a devoted family woman and teacher while illuminating the importance of trusting in a higher power and being truthful about life's challenges.

Warrior of the Light Harper Collins

The book we need NOW to avoid a social recession, Murthy ’ s prescient message is about the importance of human connection, the hidden impact of loneliness on our health, and the social power of community. Humans are social creatures: In this simple and obvious fact lies both the problem and the solution to the current crisis of loneliness. In his groundbreaking book, the 19th surgeon general of the United States Dr. Vivek Murthy makes a case for loneliness as a public health concern: a root cause and contributor to many of the epidemics sweeping the world today from alcohol and drug addiction to violence to depression and anxiety. Loneliness, he argues, is affecting not only our health, but also how our children experience school, how we perform in the workplace, and the sense of division and polarization in our society. But, at the center of our loneliness is our innate desire to connect. We have evolved to participate in community, to forge lasting bonds with others, to help one another, and to share life experiences. We are, simply, better together. The lessons in Together have immediate relevance and application. These four key strategies will help us not only to weather this crisis, but also to heal our social world far

into the future. Spend time each day with those you love. Devote at least 15 minutes each day to connecting with those you most care about. Focus on each other. Forget about multitasking and give the other person the gift of your full attention, making eye contact, if possible, and genuinely listening. Embrace solitude. The first step toward building stronger connections with others is to build a stronger connection with oneself. Meditation, prayer, art, music, and time spent outdoors can all be sources of solitary comfort and joy. Help and be helped. Service is a form of human connection that reminds us of our value and purpose in life. Checking on a neighbor, seeking advice, even just offering a smile to a stranger six feet away, all can make us stronger. During Murthy ’ s tenure as Surgeon General and during the research for Together, he found that there were few issues that elicited as much enthusiastic interest from both very conservative and very liberal members of Congress, from young and old people, or from urban and rural residents alike. Loneliness was something so many people have known themselves or have seen in the people around them. In the book, Murthy also shares his own deeply personal experiences with the subject--from struggling with loneliness in school, to the devastating loss of his uncle who succumbed to his own loneliness, as well as the important example of community and connection that his parents modeled. Simply, it ’ s a universal condition that affects all of us directly or through the people we love—now more than ever.

Isabella Post Hill Press

From beloved children ’ s book creator Crockett Johnson comes the timeless classic Harold and the Purple Crayon! This imagination-sparking picture book belongs on every child's digital bookshelf. One evening Harold decides to go for a walk in the moonlight. Armed only with an oversize purple crayon, young Harold draws himself a landscape full of wonder and excitement.
