Washington Scrambles
Scrambles are for people
who need to be on a
mountain top, but don't
need a rope to get there!
• An out-of-print
guidebook completely
redone and brought back
by reader demand • 80
challenging, but non-
technical, ascents in
Washington, plus 5
traverses Alpine
scrambling is a form of
nontechnical

mountaineering that falls
somewhere between high
altitude hiking and rock
climbing. Ropes and other
aids typically are not
needed. This new, fully
revised second edition
features 85 routes,
including 25 all-new
scrambles not in the first
edition, as well as a new
chapter covering five
high-alpine traverses in
the North Cascades. All
routes are displayed on
maps, many of which
indicate alternative routes
to the primary way up.
Keep stats? Then you'll
also appreciate the all-
new "scramble statistics"
table.

 Hiking The Mountaineers Books
 The voices, most of them from first-person narratives, range from wonder at the magnificence of the terrain, through frustration with the rigors of its harsh conditions, to the often humorous and sometimes tragic anecdotes of daily life in what was still mostly unexplored wilderness."

Best Climbs Cascade Volcanoes
 The Mountaineers Books
 * For climbers who know the basics and are ready to venture at higher altitudes* Written by longtime guides and climbing instructors certified by the American Mountain Guide Association (AMGA)* Teaches situational thinking and learning as well as technique
 This intermediate-level guide addresses tools, skills, and techniques used in alpine terrain

including rock, snow, ice, and glaciers at moderate altitude - approximately 5000 meters (16,000 feet) and lower. The technical protection systems are covered, of course. But 30 years of alpine climbing experience has convinced the authors that mastery - and safety - lie in the far more difficult task of knowing exactly which techniques to use, where and when. Therefore, they teach step-by-step decision-making skills, providing scenarios, checklists, and self-posed questions to inform the decision process. Alpine Climbing assumes some prior knowledge, primarily in rock climbing skills and techniques. Basic knots, belaying, rappelling, building rock anchors, leading, placing rock protection, and movement skills on rock: variations of these skills that are of particular value in the alpine environment are addressed in this book.

Challenge of the North Cascades
 Canmore, Alta. :
 hikingcamping.com, Incorporated
 Volume II in the classic "Cascade Alpine Guide" series features expert information on more than 300 climbing and high routes in the Cascades. This volume covers the middle of the Cascade Range, from the foothills east of Puget Sound to Lake Chelan. You'll find geographical, historical, and geological overviews of the majestic mid-Cascade

Backcountry Skiing
 Snoqualmie Pass, Washington
 The Mountaineers Books
 Key to exploring these

challenging peaks is this classic climber's guide to the Olympics. Here are detailed route descriptions for the hard basalt lava peaks of Constance and The Brothers, the high-angle faces of The Needles and Sawtooth Ridge, the hard sandstone and vast glaciers of Mt. Olympus, and hundreds of other mountains large and small. The text also provides general information on the mountains and all access routes, plus winter travel information, ski and snowshoe routes, and high alpine traverses.

Mount Rainier Sierra Club Books for Children

Filled with hand-drawn climbing topos, photos, narrative description, side notes and 40 extra climbs of note in each of the eight geographical regions. This is the guide for every climber's bookshelf.
Backcountry Skiing CMC Press
The only climbing guide devoted to Washington's Olympic National Park--now completely updated and

expanded with more than thirty percent additional new material.
Colorado Snow Climbs The Mountaineers Books
CLICK HERE to download three sample hikes from Day Hiking Central Cascades 125 trails, each rated on an overall-quality scale of 1 to 5 Full-color photo insert and overview map 1% of sales donated to the Washington Trails Association for trail maintenance The Central Cascades offer some of the most accessible wilderness areas for urban Seattleites, with trails no less stunning or enjoyable than those in more remote regions. Day Hiking Central Cascades includes 50% more hikes than other regional guidebooks and focuses on cream-of-the-crop trails in these areas: Whidbey Island; Skykomish, Wenatchee, and Icicle River Valleys; the Entiat Mountains; the Lake Chelan area; and more. Compact in size, this is the most up-to-date guide for the area, organized along highways and other travel corridors, and with an emphasis on trails that are 12 miles or less, round-trip, each of them hiked by the author. **Mountaineers Books designates 1 percent of the sales of select guidebooks in our Day Hiking series toward volunteer trail maintenance. For this book, our 1 percent of sales is going to Washington Trails Association (WTA). WTA hosts more than 750 work parties throughout Washington's Cascades and

Olympics each year, with volunteers clearing downed logs after spring snowmelt, cutting away brush, retreading worn stretches of trail, and building bridges and turnpikes. Their efforts are essential to the land managers who maintain thousands of acres on shoestring budgets.

Climber's Guide to the Olympic Mountains The Mountaineers Books
Featuring more than 1,500 routes throughout the state of Washington, this popular guide has now been completely updated and expanded. Explore the granite cliffs of Index, Leavenworth, Darrington, and Tieton River Canyon; tackle the exposed alpine routes on the spires at Washington Pass; or hang from steep sport climbs at North Bend, Frenchman Coulee, and Marcus and China Bend near Spokane. Several sport and traditional areas included have never before been covered in a guidebook. Detailed maps, topos, and photos complement the route descriptions and ratings to provide climbers with a complete package. Rock Climbing Washington is the perfect book to take on your next climbing adventure in the Evergreen State.
Cascade Alpine Guide, Vol. 2; Stevens Pass to Rainy Pass

Avalon Travel Pub
