Marisa Burke is a top-rated, local anchorwoman at one of the most respected local ABC affiliates in the country. She enjoys celebrity status, six-figure salaries, a gorgeous home, and beautiful family. But rather than reporting the news, Marisa suddenly becomes the subject of it when her husband, an admired educator, the father of her two young girls, and the man she truly believed was her loving soulmate, was arrested for unlawful sexual relationships with underage boys. What was even more excruciating, Marisa was forced to endure the shame and embarrassment of anchoring the same newscasts in which the personally gut-wrenching news stories about her husband's charges were reported. An unsettling cold case investigation ensnares Cormoran Strike and his partner in a web of dangerous secrets in this #1 New York Times bestseller, the inspiration for HBO Max's acclaimed series C.B. Strike. When a troubled young man named Billy asks Cormoran Strike to help him investigate a crime he witnessed as a child, the private eye is left deeply troubled. While Billy is obviously mentally distressed and cannot remember many concrete details, there is something sincere about him and his story. But before Strike can question him further, Billy bolts from his office in a panic. Trying to get to the bottom of Billy's story, Strike and Robin Ellacott -- once his assistant, now a partner in the agency -- set off on a twisting trail that leads them through the backstreets of London, into a secretive inner sanctum within Parliament, and to a beautiful but sinister manor house deep in the countryside. And during this labyrinthine investigation, Strike's

own life is far from straightforward. His newfound fame as a private eye means he can no longer operate behind the scenes as he once did. Plus, his relationship with his former assistant is more fraught than it ever has been; Robin is now invaluable to Strike in the business, but their personal relationship is much, much trickier than that. The most epic Robert Galbraith novel yet, Lethal White is "addictive, murderous fun" for British mystery lovers and crime fiction fans alike (Vox). The Harvard College Guide to Consulting Createspace Independent Publishing Platform Embrace the Case Interview walks you through each step on the path to your dream consulting job as described by a former management consultant who conducted over 100 interviews for a top-tier firm. First, we cover how to get the interview including how to be memorable when speaking with firms prior to the interview and how to write a killer resume and cover letter. Second, we cover the behavioral part of the interview. Often overlooked, the

behavioral part of the interview covers your personal experiences and is often just as valuable as the case interview. We discuss the traits interviewers are looking for and how to answer their questions in a structured way. Third, we take an in-depth look at the case interview itself. Unlike books that focus on segmenting cases and applying frameworks, you will learn a single, flexible structure that you will apply to any case with deadly effectiveness. In addition to structuring the case, you will learn approaches for the cases' other parts including qualitative questions, quantitative problems, exhibit analysis, and synthesis. Embrace the Case Interview places a strong emphasis on the quality of your learning rather than just doing hundreds of cases. As such, each example case contains an in-depth discussion of the text book answer to help you improve.
