This is a detective thriller, packed with action and suspense, for the young, both boys and girls, the young at heart, and those who wish they still were. Care has been taken to ensure the non-nautical reader won't feel all at sea, so to give these shipmates a hand, the sometimes unusual phraseology is explained. It's also possible that some might think the idea of Knights Templar being involved is just a bit fanciful. Be assured there are still some afloat today. In this case, four teenage pupils from the Knights Templar School in the west of England (yes, it does exist!) outwit a criminal gang, the police and the customs, but delight the intelligence agencies.
