Engine components on a C13 Caterpillar diesel Explained ...

the trucking company I work had rough 200+ of c13 engines when they first came out. few of them did not make 70 miles, had to replace the motor cause of no power. when the c13s got to 200000 to 250000 miles, all of them got overhauled do to oil consumption and lack of power, spent several months doing tests overhaul was the only answer. when these engines got to 450000 to 500000 mile either they got overhauled again, or head repairs if they did not through a rod out the side of the block, also ...
