[Dissecting Cats With High School Students - The Billfold](#)

The question of using cats for medical science dissection and learning can and should be raised. The ethical argument against the use of cats would be stronger if cats were bred specifically to be killed for dissection. However, the cats we use are the product of uncontrolled reproduction of pets. The surplus wind up at the animal shelter.

[CAT DISSECTION A LABORATORY GUIDE](#)

The week before the cat dissection unit started, I spent several long hours gently cutting skin away from muscle and scraping off the white tissue-like fascia. Once the skin was off, I looked at the patchwork of muscles with the different angles of muscle striations, and I felt a small moment of awe.
