So when the wallbanging threatens to literally bounce her out of bed, Caroline, clad in sexual frustration and a pink baby-doll nightie, confronts Simon Parker, her heard-but-never-seen neighbor. The tension between them is as thick as the walls are thin, and the results just as mixed. Suddenly, Caroline is finding she may have discovered a whole new definition of neighborly... In a delicious mix of silly and steamy, Alice Clayton dishes out a hot and hilarious tale of exasperation at first sight.

Great Granny Webster Simon and Schuster

A #1 New York Times bestseller by Kim Edwards, *The Memory Keeper's Daughter* is a brilliantly crafted novel of parallel lives, familial secrets, and the redemptive power of love Kim Edwards's stunning novel begins on a winter night in 1964 in Lexington, Kentucky, when a blizzard forces Dr. David Henry to deliver his own twins. His son, born first, is perfectly healthy, but the doctor immediately recognizes that his daughter has Down syndrome. Rationalizing it as a need to protect Norah, his wife, he makes a split second decision that will alter all of their lives forever. He asks his nurse, Caroline, to take the baby away to an institution and never to reveal the secret. Instead, she

disappears into another city to raise the child herself. So begins this beautifully told story that unfolds over a quarter of a century—in which these two families, ignorant of each other, are yet bound by the fateful decision made that winter night long ago. A family drama, *The Memory Keeper's Daughter* explores every mother's silent fear: What would happen if you lost your child and she grew up without you? It is also an astonishing tale of love and how the mysterious ties that hold a family together help us survive the heartache that occurs when long-buried secrets are finally uncovered.

The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated.

Promises get broken. Rules get shattered. Love gets ugly.

Blood and Roses Sylvia Day LLC Caroline Myss, author of the New York Times bestsellers *Anatomy of the Spirit* and *Why People Don’t Heal* and *How They Can*, presents an exciting, highly original program in this long-

awaited book. Based on her internationally popular workshop of the same name, *Sacred Contracts* is a brilliant synthesis of psychology, healing guidance, and spiritual insight. As a medical intuitive, Myss has found that people often don’t understand their purpose in life, which has led to a spiritual malaise of epidemic proportions. This metaphysical disease in turn leads to depression, anxiety, fatigue, and eventually physical illness. But our purpose—our individual Sacred Contract—is often difficult to apprehend. For this reason, Myss developed an enjoyable and ingenious process for deciphering your own Contract using a new theory of archetypes that builds on the works of Jung, Plato, and contemporary thinkers. She first recounts how the concept of Sacred Contracts took form in myths and other cultural traditions through the ages. She then examines the lives of the spiritual masters and prophets—Abraham, Jesus, the Buddha, and Muhammad—whose archetypal journeys illustrate the four stages of a Sacred Contract and provide clues for discovering your own. With her signature motivational style and stories, Myss explains how you can identify your particular spiritual energies, or archetypes—the gatekeepers of your higher purpose—and use them to help you find out what you are here on earth to learn and whom you are meant to meet. In coming to know your archetypal companions, you also begin to see how to live your life in ways that make the best use of your personal power and lead you to fulfill your

greatest—in fact, your divine—potential. In this process, you learn how to see your life—and the lives of others—symbolically, allowing you to manage your personal power without getting caught up in emotional drama. You will also learn how to fulfill your Sacred Contract: what you and only you are here on earth to do. Finally, Myss offers specific guidance for locating your physical and emotional vulnerabilities and healing any susceptible areas. Both visionary and practical, *Sacred Contracts* is a completely unique process of self-discovery and spiritual archaeology and a bold, powerful work of spiritual wisdom.
