Service Manual Voyage Press

This book contains a listings of technical manuals for the repair and

maintenance of German World War II armored vehicles. Each vehicle is listed by its Sd Kfz number, followed by a list of the known manuals which you would require to repair and maintain both the vehicle and the equipment it would carry including radios, weapons, and other equipment. This not only includes the military manuals, but also pamphlets, announcements, and any civilian company manuals used to maintain on board equipment. Manuals include those published for the Heer and Luftwaffe. All manual titles have been translated into American English.
