A great little book to give Catholics As an evangelical missionary in Italy for over thirty years, Thomas Heinze found that there are certain things that Roman Catholics would like to know about the faith of the Protestants and about the Bible. Moreover, they want clear, honest answers. The ecumenical movement in their own church has made it more important than ever for them to have this information. Written lovingly to the Roman Catholics, this book uses Scriptures to explain major differences between Catholic and Protestant beliefs. So Catholics won't think this is Protestant theology from an "unapproved" Bible, Heinze uses their own New American Bible. The reader will come face to face with the fact that the Catholic church cannot save, only faith in Jesus can. It contains such a loving, soul-winning message and invitation to trust in Christ alone, that it's a great book to give to Catholics. And it's inexpensive too! Now you can point Catholics to Christ with answers to these questions: Do you have the Mass like the Catholic Church? Where do the differences between Catholics and Protestants come from? What is the most important difference between Protestants and Catholics? Why don't Protestants venerate images? Why are Evangelical pastors permitted to marry? Do you believe in Mary? Is there a purgatory? On whom is the Church founded? To whom should we confess?

Why Stay Catholic? Sourcebooks, Inc.

"This volume is intended to meet a widely felt need for an up-to-date and concise source book on the principal teachings of the Catholic Church. Since the close of the Second Vatican Council, there has been such an accumulation of ecclesiastical constitutions and decrees and so many changes they introduced in Catholic practice that few people have been able to keep up with all that has happened... A parallel purpose of this volume is to offer those who use it a handy guidebook of the Catholic tradition, whether formally documented in ecclesiastical sources or implicitly accepted by the faithful under the aegis of the Church's hierarchial leaders. "The method followed in presenting the Church's doctrine is a combination of history and logic. Doctrines are placed into a historical framework by tracing their origins to the Old and New Testaments and placing their development within the context of persons, places, and times. The doctrine thus becomes more intelligible because it is viewed in the setting of its vital growth over the centuries. "The intended reading audience of this Catholic catechism are all those priests, religious and laity, and above all parents and teachers, who are looking for a concise statement of the faith they profess, the conduct they practice, and the worship they give to the Lord." --From The Catholic Catechism by John A. Hardon, S.J.
