Catholic Social Teaching Scripture Guide

Modern Catholic social teaching has been articulated through a tradition of papal, conciliar, and episcopal documents. The depth and richness of this tradition can be understood best through a direct reading of these documents. In these brief reflections, we highlight several of the key themes that are at the heart of our Catholic social tradition.

"The Foundations of Catholic Social Teaching is an excellent resource to bring such an important subject to the young people in my classes. The topics addressed in the book and thoughtful way the material is laid out make planning this course very easy. Students love how the book makes these complex issues accessible and understandable."

If you don't want to cover the entire expanse of social teaching, there are several books that discuss the topic in smaller parts. This first book isn't one of them. The Framework of a Christian State, by E. Cahill, S.J., attempts to take all Catholic social teaching up to 1932 and provide a blueprint for a truly Catholic society. The book is a ...
