In a world where angels, demons, and gods fight over the possession of mortal souls, two conflicted pawns are ensnared in a cruel game. The enigmatic seer Estella finds herself thrown together with Count Mikhail, a dogmatic Templar dedicated to subjugating her kind. But when a corrupted cardinal and puppet king begin a systematic genocide of her people, the two become unlikely allies. Taking humanity back to their primordial beliefs and fears, Estella confronts Mikhail's faith by revealing the true horror of the lucrative trade in human souls. All organized religions are shops orchestrated to consume mankind. Every deity, religion, and spiritual guide has been corrupted, and each claims to have the monopoly on truth and salvation. In a perilous game where the truth is distorted and meddling ancient deities converge to partake of the unseen battle, Estella unwittingly finds herself hunted by Lucifer. Traversing the edge of hell's precipice, Estella and Mikhail are reduced to mere instruments. Their only means to overcome is through courting the Threefold Death, the ancient ritual of apotheosis--of man becoming God. The Shadow Crucible is a gripping epic set in medieval England where the struggle for redemption is crushed by the powers of evil. Tamara Lakomy is a new and compelling voice in the world of dark fantasy.

Oliza Sharda Cobriana is heir to Wyvern's Court, home of the avians and serpente, whose war with each other ended just before Oliza was born. But hatred is slow to die, and not everyone likes the expressive way in which Urban, a serpente dancer, is courting Oliza--especially not Marus, her reserved avian suitor. And when Urban is found beaten in avian land, Oliza is filled with despair. How can she be expected to lead a unified society if her people still cannot live peacefully together? Before Oliza can try to mend the rift in Wyvern's Court, she is kidnapped by mercenaries, who take her deep into wolves' territory. As Wyvern princess, all Oliza has ever wanted is to see a future where she can find love and take a mate without inciting another war. The time is now. She owes it to her people--and to herself.

In this series of books, based on the hit podcast A History of Rock Music in 500 Songs, Andrew Hickey analyses the history of rock and roll music, from its origins in swing, Western swing, boogie woogie, and gospel, through to the 1990s, grunge, and Britpop. Looking at five hundred representative songs, he tells the story of the musicians who made those records, the society that produced them, and the music they were making. Volume one looks at fifty songs from the origins of rock and roll, starting in 1938 with Charlie Christian's first recording session, and ending in 1956. Along the way, it looks at Louis Jordan, LaVern Baker, the Ink Spots, Fats Domino, Sister Rosetta Tharpe, Jackie Brenston, Bill Haley, Chuck Berry, Elvis Presley, Little Richard, and many more of the progenitors of rock and roll.

Things weren't so peachy in Cathy's life before Victor broke up with her. Her father died unexpectedly, she's failing school, and her best friend is mad at her. But when Cathy decides to investigate Victor's reasons for ending their relationship, things suddenly go from bad to very, very, very bad as her findings produce more questions than answers. For instance, what does the death of Victor's co-worker, the strange mark that appeared on Cathy's arm, and the surreal behavior of several Chinese elders have to do with it? Through Cathy's unique and irresistible voice--and lots of proof in the form of letters, photographs, date book entries, telephone numbers readers can call, websites they can access, as well as secrets only a careful reader will be able to decipher--readers will enter a strange and fascinating world where things often aren't how they appear. Two-color illustrations plus supplemental material. Ages: 12 and up

Tempests After Shakespeare shows how the 'rewriting' of Shakespeare's play serves as an interpretative grid through which to read three movements - postcoloniality, postpatriarchy, and postmodernism - via the Tempest characters of Caliban, Miranda/Sycorax and Prospero, as they vie for the ownership of meaning at the end of the twentieth century. Covering texts in three languages, from four continents and in the last four decades, this study imaginatively explores the collapse of empire and the emergence of independent nation-states; the advent of feminism and other sexual liberation movements that challenged patriarchy; and the varied critiques of representation that make up the 'postmodern condition'.

Readings of Shakespeare were both influenced by and influential in the rise of Gothic forms in literature and culture from the late eighteenth century onwards. Shakespeare's plays are full of ghosts, suspense, fear-inducing moments and cultural anxieties which many writers in the Gothic mode have since emulated, adapted and appropriated. The contributors to this volume consider: Shakespeare's relationship with popular Gothic fiction of the eighteenth century how, without Shakespeare as a point of reference, the Gothic mode in fiction and drama may not have developed and evolved in quite the way it did the ways in which the Gothic engages in a complex dialogue with Shakespeare, often through the use of quotation, citation and analogy the extent to which the relationship between Shakespeare and the Gothic requires a radical reappraisal in the light of contemporary literary theory, as well as the popular extensions of the Gothic into many modern modes of representation. In Gothic Shakespeares, Shakespeare is considered alongside major Gothic texts and writers – from Horace Walpole, Ann Radcliffe, Matthew Lewis and Mary Shelley, up to and including contemporary Gothic fiction and horror film. This volume offers a highly original and truly provocative account of Gothic reformulations of Shakespeare, and Shakespeare's significance to the Gothic. Contributors include: Fred Botting, Elizabeth Bronfen, Glennis Byron, Sue Chaplin, Steven Craig, John Drakakis, Michael Gamer, Jerrold Hogle, Peter Hutchings, Robert Miles, Dale Townshend, Scott Wilson and Angela Wright.

A grisly murder reveals the hateful secrets that lie beneath a small town's surface. The locals call her the Ballou. An illustrator for a high-fashion magazine, she has been the talk of the upstate town of Sutton ever since she first appeared, paying cash for one of the finest houses on Nicholas Street. Daring, gaudy, and grand, she inspires envy in the women and lust in the men. And in one member of this quiet town, she is about to inspire murder. The trouble starts when her rakish New York lover moves in full time, scandalizing the prudish Ayers family next door. When the Ayers' maid pays a social call to the Ballou, she finds her lying dead at the foot of a staircase—gray, cold, and fabulous no more. Suspicion falls on the Ayerses, whose starched exterior hides a wealth of ugly secrets. From this interlocking narrative told from the perspectives of the citizens of Sutton comes a reminder that no town is too small for murder.
