Nicias has never felt completely at home among the avians and serpente in Wyvern's Court, despite his loyalty to Oliza Shardae Cobriana, the heir to both thrones. He is a falcon, the son of two exiles from Anhmik—and images of this distant island have always haunted his dreams. But when Nicias's visions become more like reality, his parents have no choice but to send him back to the homeland—and a royal falcon—they've tried their best to forget. If Araceli won't bind Nicias's newfound magic, it could destroy him. In a place where everyone is a pawn, only one other woman has the potential to save Nicias. But she holds the keys to a dangerous power struggle that will force Nicias to choose between his duty—and his destiny.

Tempests After Shakespeare shows how the 'rewriting' of Shakespeare's play serves as an interpretative grid through which to read three movements - postcoloniality, postpatriarchy, and postmodernism - via the Tempest characters of Caliban, Miranda/Sycorax and Prospero, as they vie for the ownership of meaning at the end of the twentieth century. Covering texts in three languages, from four continents and in the last four decades, this study imaginatively explores the collapse of empire and the emergence of independent nation-states; the advent of feminism and other sexual liberation movements that challenged patriarchy; and the varied critiques of representation that make up the 'postmodern condition'.

Five troubled teenagers fall into prostitution as they search for freedom, safety, community, family, and love in this #1 New York Times bestselling novel from Ellen Hopkins. "When all choice is taken from you, life becomes a game of survival." Five teenagers from different parts of the country. Three girls. Two guys. Four straight. One gay. Some rich. Some poor. Some from great families. Some with no one at all. All living their lives as best they can, but all searching...for freedom, safety, community, family, love. What they don't expect, though, is all that can happen when those powerful little words "I love you" are said for all the wrong reasons. Five moving stories remain separate at first, then interweave to tell a larger, powerful story—a story about making choices, taking leaps of faith, falling down, and growing up. A story about kids figuring out what sex and love are all about, at all costs, while asking themselves, "Can I ever feel okay about myself?" A brilliant achievement from New York Times bestselling author Ellen Hopkins—who has been called "the bestselling living poet in the country" by Mediabistro.com—Tricks is a book that turns you on and repels you at the same time. Just like so much of life.

Jacob Reckless returns once again to the Mirrorworld--filled with profound characters, extraordinary creatures, and epic life-or-death treasure hunts that could only come from the mind of the master storyteller of our generation, Cornelia Funke. Jacob Reckless has only a few months left to live. He's tried everything to shake the Fairy curse that traded his life for his brother's--legends such as the All-Healing Apple, the Well of Eternal Youth, the blood of a northern Djinn. And yet hope after hope is extinguished. After months of fruitless searching, Jacob journeys through his father's mirror one final time to deliver the bad news to Fox. But there they hear of one last possibility--an item so legendary that not even Mirrorworlders believe it exists: a crossbow that can kill thousands, or heal one, when shot through the heart. But a Goyl treasure hunter is also searching for the prized crossbow. Jacob must find it first--and somehow convince Fox to do whatever it takes to save him.
