*Sample Papers Questions for Class 12 MCQ Books for 2021 (As Per CBSE Sample Papers issued on 2 Sep 2021)* Educart The much awaited "Sample Papers for Chemistry-XII by VK Global Publications are on its way." The practice papers in this booklet are designed as per the specimen paper released by the CBSE board in order to give its readers an edge over the others in preparing for the CBSE examinations to be held in 2023. Some salient features of this

book are as follows: This sample paper booklet begins with Basic Concepts for Quick Revision of each chapter which in turn provides a snapshot of the entire chapter and hence facilitates the purpose of last minute revisionary notes needed by the students. In order to help students, practise and evaluate their understanding, detailed solutions of the CBSE Sample Paper 2023 have been incorporated in this booklet along with a total of 15 sample papers. Out of these 15

sample papers, 5 papers include detailed step by step solutions and the remaining 10 papers are for practice of the students (answers for objective type questions and numericals have been included for these practice papers as well). A blueprint based on the specimen paper released by the CBSE Board has also been included in this booklet to enable the students to gauge the unit wise weightage and the marking scheme of the paper. Effort has been made to design each sample paper on

---

the basis of the CBSE Sample Paper 2023, hence, all typology of questions which are to be tested in the annual examination 2023 (both objective and descriptive type questions) have been included. Special emphasis has been laid to include the new typology of questions in each paper i.e. multiple choice questions, assertion and reason based, case based and miscellaneous questions etc. This book is indeed a one stop destination for all the subject matter required for the
