in this delightful collection of stories recounting real-life

incidents from the life of Sudha Murty-teacher, social worker and

students who frequently played truant from school. The account of

how her mother's advice to save money came in handy when she

wanted to help her husband start a software company, and the heart-

warming tale of the promise she made-and fulfilled to her

grandfather, to ensure that her little village library would

always be well supplied with books. Funny, spirited and
