NEW GENERAL KNOWLEDGE TODAY 6 John Wiley & Sons

While the word "gentlemen" suggests that its heroes are adults, *The Two Gentlemen of Verona* is more intelligible if we think of them as boys, leaving home for the first time. One has a crush on a girl, Julia, though he hasn't yet told her. Sent to court to learn to be "perfect gentlemen," Valentine and Proteus are derailed by their attraction to Sylvia, the ruler's daughter. Valentine's mental denseness does not

deter Sylvia from returning his love, but he is caught, and banished, when he tries to elope with her. Proteus' desire for Sylvia wipes out his former love, leading him into despicable acts that win scorn from Sylvia and wound Julia, who has pursued him disguised as a boy. When Sylvia follows Valentine into banishment, Proteus follows Sylvia, and Julia follows Proteus, the stage is set for a disturbing ending. But the stage is also set for the "gentlemen" to take small steps toward maturity. The authoritative edition of *The Two Gentlemen of Verona* from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes: -The exact text of the printed book for easy cross-reference -Hundreds of hypertext links for instant navigation -Freshly edited text based on the best early printed version of the play -Full explanatory notes conveniently placed on pages facing the text of the play -Scene-by-scene plot summaries -A key to the play's famous lines and phrases -An introduction to reading Shakespeare's language -An essay by a leading Shakespeare scholar providing a modern perspective on the play -Fresh images from the Folger Shakespeare Library's vast holdings of rare books -An annotated guide to further reading Essay by Jeffrey Masten The Folger Shakespeare Library in Washington, DC, is home to the world's largest collection of Shakespeare's printed works, and a magnet for Shakespeare scholars from around the globe. In addition to exhibitions open to the public throughout the year, the Folger offers a full calendar of performances and programs. For more information, visit Folger.edu.

The Dear Departed Vikas Publishing House

In The Ikigai Journey, authors Hector Garcia and Francesc Miralles take their international bestseller Ikigai: the Japanese Secret to a Long and Happy Life a step further by showing you how to find your own ikigai through practical exercises, such as employing new habits and stepping outside your comfort zone. Ikigai is the place where our passion (what we love), mission (what we hope to contribute), vocation (the gifts we have to offer the world) and profession (how our passions and talents can become a livelihood) converge, giving us a personal sense of meaning. This book helps you bring together all of these elements so that you can enjoy a balanced life. Our ikigai is very similar to change: it is a constant that transforms depending on which phase of life we are in. Our "reason for being" is not the same at 15 as it is at 70. Through three sections, this book helps you to accept and embrace that--acting as a tool to revolutionize your future by helping you to understand the past, so you can enjoy your present. Section 1--Journey Through the Future: Tokyo (a symbol of modernity and innovation) Section 2--Journey Through the Past: Kyoto (an ancient capital moored in tradition) Section 3--Journey Through the Present: Ise (an ancient shrine that is destroyed and rebuilt every twenty years) Japan has one of the longest life spans in the world, and the greatest number of centenarians--many of whom cite their strong sense of ikigai as the basis for their happiness and longevity. Unlike many "self-care" practices, which require setting aside time in an increasingly busy world, the ikigai method helps you find peace and fulfillment in your busy life.

Oxford University Press

The Invisible Man is a science fiction novella. The Invisible Man of the title is Griffin, a scientist who has devoted himself to research into optics and invents a way to change a body's refractive index to that of air so that it absorbs and reflects no light and thus becomes invisible. He successfully carries out this procedure on himself, but fails in his attempt to reverse the procedure. Herbert George Wells (1866 – 1946), known as H. G. Wells, was a prolific English writer in many genres, including the novel, history, politics, and social commentary, and textbooks and rules for war games.

Studies in the Contract Laws of Asia provides an authoritative account of the contract law regimes of selected Asian jurisdictions, including the major centres of commerce where until now, limited critical commentaries have been available in the English language. In this new six part series of scholarly essays from leading scholars and commentators, each volume will offer an insider's perspective into specific areas of contract law, including: remedies, formation, parties, contents, vitiating factors, change of circumstances, illegality, and public policy, and will explore how these diverse jurisdictions address common problems encountered in contractual disputes. Concluding each volume will be a closing discussion of the convergences and divergences throughout eachacross the jurisdictions, and comparisons with European jurisdictions from which Asians well as an overview of the common themes found throughout each jurisdiction .contract law derive. Volume I of this series examines the remedies for breach of contract in the laws of China, India, Japan, Korea, Taiwan, Singapore, Malaysia, Hong Kong, Korea, and Thailand. Specifically, it addresses the readiness of each legal system in their action to insist that parties perform their obligations; the methods of enforcing the parties' agreed remedies for breach; and the ways in which monetary compensation are awarded. Each jurisdiction is discussed over two chapters; the first chapter will examine the performance remedies and agreed remedies, while the second explores the monetary remedies. A concluding chapter offers a comparative overview.

Oswaal CBSE Accountancy, English Core, Business Studies & Economics Class 11 Sample Question Papers + Question Bank (Set of 8 Books) (For 2023 Exam) Educart Jerome Klapka Jerome was an English writer and humourist, best known for the comic travelogue Three Men in a Boat. Other works include the essay collections Idle Thoughts of an Idle Fellow and Second Thoughts of an Idle Fellow; Three Men on the Bummel, a sequel to Three Men in a Boat, and several other novels.Jerome sat right down to write Three Men during a Boat as soon

because the couple returned from their honeymoon. Within the novel, his wife was replaced by his longtime friends George Wingrave (George) and Carl Hentschel (Harris). This allowed him to make comic (and non-sentimental) situations which were nonetheless intertwined with the history of the Thames region. The book, published in 1889, became a moment success and has never been out of print. Its popularity was such the amount of registered Thames boats went up one-half within the year following its publication, and it contributed significantly to the Thames becoming a tourist attraction. In its first twenty years alone, the book sold over 1,000,000 copies worldwide. It's been adapted to films, TV and radio shows, stage plays, and a musical. Its literary genre influenced many humourists and satirists in England et al. .With the financial security that the sales of the book provided, Jerome was ready to dedicate all of his time to writing. He wrote variety of plays, essays, and novels, but was never ready to recapture the success of Three Men during a Boat. In 1892, he was chosen by Robert Barr to edit The Idler (over Rudyard Kipling). The magazine was an illustrated satirical monthly catering to gentlemen (who, following the theme of the publication, appreciated idleness). In 1893, he founded To-Day, but had to withdraw from both publications due to financial difficulties and a libel suit. Jerome's play Biarritz had a run of two months at the Prince of Wales Theatre between April and June 1896. In 1898, a brief stay in Germany inspired Three Men on the Bummel, the sequel to 3 Men during a Boat, reintroducing an equivalent characters within the setting of a far off bicycle tour. The book was nonetheless unable to capture the life-force and historic roots of its predecessor, and it enjoyed only a light success. In 1902, he published the novel Paul Kever, which is widely considered autobiographical. His 1908 play The Passing of the Third Floor Back introduced a more sombre and non secular Jerome. The most character was played by one among the leading actors of the time, Johnston Forbes-Robertson, and therefore the play was an incredible commercial success. It had been twice made into film, in 1918 and in 1935. However, the play was condemned by critics - Beerbohm described it as "vilely stupid" and as written by a "tenth-rate writer"
