CCNA Cyber Ops SECFND #210-250 Official Cert Guide John Wiley & Sons CCENT/CCNA ICND1 100-101 Official Cert Guide, Academic Edition is a comprehensive textbook and study package for a beginner-level networking course. This book has been completely revised to align to Cisco's new CCENT 100-101 ICND1 exam. Material is presented in a concise manner, focusing on increasing student retention and recall of exam topics. The book is printed in four color, allowing students to benefit from carefully crafted figures that utilize color to

convey concepts. If you're looking for a lower-priced option for your students, consider the Standard Version. The book content is the same with the same instructor resources but is printed in black and white and the books have a slightly different layout with chapter opening assessment questions instead of review questions. The Standard Version does not include the premium edition eBook and practice test, but does include a CD with practice test software. See ISBN 9781587143854.
