The Electronic Health Record for the Physician's Office for SimChart for the Medical Office Cengage Learning
ELECTRONIC HEALTH RECORDS: UNDERSTANDING AND USING COMPUTERIZED MEDICAL RECORDS, 2/e is the complete "learn by doing" text for everyone who must use an electronic health records system, including doctors,

nurses, medical assistants, physician assistants, and other medical office staff. It provides a thorough understanding of EHR tasks and functional benefits that is continuously reinforced by actual EHR experiences. Updated to reflect the latest EHR rules, regulations, and innovations, this new edition also contains 50% more hands-on guided and critical thinking exercises utilizing real EHR software. Improvements also include a full chapter on electronic orders and results; new workflow examples; shorter chapters that more easily accommodate 12-week courses; and a revised, clarified discussion of E&M billing codes. The Certified Electronic Health Records Specialist CEHRS is a professional who has the duty of maintaining the integrity and protecting the privacy/security of all patient information. There are questions on technology, procedures and legal compliance. We create these self-practice test questions referencing the concepts and principles currently valid in the exam. Each question comes with an answer and a short explanation which aids you in seeking further study information. For purpose of exam readiness drilling, this product includes questions that have varying numbers of choices. Some have 2 while some have 5 or 6. We want to make sure these questions are tough enough to really test your readiness and draw your focus to the weak areas. Think of these as challenges presented to you so to assess your comprehension of the subject matters. The goal is to reinforce learning, to validate successful transference of knowledge and to identify areas of weakness that require remediation. The questions are NOT designed to “ simulate ” actual exam questions. “ realistic ” or actual questions

that are for cheating purpose are not available in any of our products.
