The Celebrate Recovery Participant's Guides are essential tools for the personal recovery journey. In the seven lessons in Guide 3: Getting Right with God, Yourself, and Others, you will move through principles 4-6 of the recovery process: 4 Openly examine and confess my faults to God, to myself, and to someone I trust. "Happy are the pure in heart" (Matthew 5:8). 5 Voluntarily submit to every change God wants to make in my life and humbly ask Him to

remove my character defects. "Happy are those whose greatest desire is to do what God requires" (Matthew 5:6). 6 Evaluate all my relationships. Offer forgiveness to those who have hurt me and make amends for harm I've done to others, except when to do so would harm them or others. "Happy are the merciful" (Matthew 5:7). "Happy are the peacemakers" (Matthew 5:9). By working through the lessons and exercises found in each of the four Participant's Guides you will begin to experience the true peace and serenity you have been seeking, restore and develop stronger relationships with others and with God, and find freedom from life's hurts, hang-ups, and habits. All the scriptures have been updated to the new NIV 2011 version.

Growing in Christ While Helping Others Participant's Guide 4 Zondervan

You've undoubtedly heard the expression "time heals all wounds." Unfortunately, it isn't true. As many pastors and counselors know, people still carry hurts from thirty or forty years ago. The truth is, time often makes things worse. Wounds that are left untended fester and spread infection throughout your entire body. Time only extends the pain if the problem isn't dealt with. Your First Step to Celebrate Recovery introduces you to a biblical and balanced program that has helped nearly a million people overcome their hurts, hang-ups, and habits. Based on the actual words of Jesus found in the Sermon on the Mount rather than psychological theory, the Celebrate Recovery program has helped people for over 20 years to grow toward full Christ-like maturity. Author and founder John Baker tells the true story of how Celebrate Recovery became one of the largest Christ-centered recovery programs in history. Baker will help you discover how God's love, truth, grace and forgiveness can bring healing into your life.

Honoring God by Making Repairs: The Journey Continues, Participant's Guide 7 Harper Collins

This guide to the Twelve Steps from Dr. Stephanie S. Covington, a pioneer in the field of women ' s issues, addiction, and recovery, preserves the spirit of the Alcoholics Anonymous program with a focus on healing language with women ' s needs in mind. Published in 1994, *A Woman's Way* through the Twelve Steps has long been a unique resource that helps women find their own paths in recovery—paths shaped by the way women experience not only addiction and recovery, but also relationships, self, sexuality, spirituality, and everyday life. Now, stories from five new voices expand the perspective of this recovery classic. Over the past thirty years, what it means to identify as a woman in recovery has broadened to include transgender, nonbinary, and other gender-diverse people. This new edition includes updated, inclusive language to be more trauma-sensitive and welcoming to all women. This compilation of diverse voices and wisdom from real people illuminates how women understand the Twelve Steps of Alcoholics Anonymous (AA) and offers inspiring stories of how they travel through the Steps and discover what works for them. The book can be used alone or as a companion to AA ' s Twelve Steps and Twelve Traditions. By identifying and addressing the special issues that recovery presents for women, this book empowers women to take ownership of their own journeys and to grow and flourish in recovery.
