Though long forgotten by the mortals they serve, Zeus and his Pantheon continue to foster and protect mankind which is tearing itself apart—but even God isn't infallible. After failed diplomacy, the King of the Gods is left with no choice but to take the persona of a modern man—the famed genetic scientist Dr. Hork. In an effort to preserve the future by reshaping the past, Dr. Hork

uses Project Genesis—the transfer of consciousness—to send subjects back in time. However, not without devastating failures. Subjects of the experiment wreak havoc upon humanity until a familiar character is reborn to correct the course. Reincarnated and ready to fulfill his true destiny, Joshua Bach is the catalyst the Gods have been waiting for—and Dr. Hork's final beacon of salvation. In this amazingly timely story about what the wealthy do when Wall Street lays an egg, the author of *Gilding Lily* once again delivers a witty and insightful treatment of today's woman, as she explores the sacrifices they make, the bargains they strike, the rules they follow, and what happens when it all starts to fall apart. Who could have guessed that Wall Street would go south just as Marcy Emerson and her husband moved east? Down to earth Marcy relocated from Chicago to New York when her husband was offered a big time job as a hedge fund

manager. She gives up her own job—after all, hedge fund wives don't work! And while at first it's fun to shop all day and party all night, Marcy quickly learns that life among the rich can be anything but easy and that behind every smile can be a stab in the back. Still, it's not until her husband leaves her for his thinner, blonder mistress—a woman who is higher up the social ladder than the original Mrs. Emerson will ever be—that Marcy decides to stand on her own two feet once again, and fight for the things that are far more important than money.

The Healing Power of Your Sacred Self Harper Collins

In the remote snow-covered mountains near Tibet lies a community long thought to be a mere myth called Shambhala, or Shangri-La. Here, in this place, is knowledge that has been kept hidden for centuries, and an

insight that can have a profound impact on the way each of us lives our lives. Your search for Shambhala begins with the words of a child and the vision of an old friend. Those slender clues and a powerful synchronicity will lead to Kathmandu, Nepal, and then to Lhasa, Tibet. Amid blowing snows and perilous mountains, you will meet the members of the secret Tibetan sect that guards mysterious legends - the verbal instructions handed down

for centuries that describe the inner changes one must undergo before entering Shambhala. Finally, with Chinese Agents in pursuit, you will pass through regions where anger and compassion struggle for ascendancy, and arrive at a place where the stunning reality about human prayer-energy - our underdeveloped ability to increase the synchronicity in our lives and influence what will happen to us in the future - is revealed.

Like James Redfield's other books, *The Secret of Shambhala* has a parable effect. Open yourself to this amazing adventure and the experience will stretch your world view. It will also leave you determined to channel your thoughts and wishes into a dynamic force that can help you to liberate your life, enhance the lives of others and actively change the world.

The Celestine Prophecy

William Morrow

An experiential guide to the

spiritual path of the Holy Grail • Traces the evolution of the Holy Grail from the sacred vessel of the Celtic goddess to the Cup of Christ and how it represents the longing for the divine feminine • Provides exercises, meditations, and rituals to connect you with the powers of the Cauldron of Rebirth, the Chalice of Healing, the Sword of Light, and the Holy Grail • Explains how attaining the Grail brings full consciousness of the soul and Divine influence for the healing of self and others The primary myth of

Western culture, the quest for the Holy Grail persists through the centuries like a recurring dream, embodying the longing for the divine feminine suppressed for more than two thousand years. The Holy Grail emerged not only as a symbol of the feminine but also as a symbol of the soul, for hidden within the sacred Grail legends lies an initiatory path that leads to the highest realms of consciousness and spiritual illumination. By working with the symbols of the Grail tradition we can gaze into

our own hidden depths and heal the separation between masculine and feminine, Spirit and Matter, and Heaven and Earth. Mara Freeman traces the evolution of the Grail from the sacred vessel of the Celtic goddess to the Cup of Christ, revealing a spiritual path rooted in the mysteries of the Goddess, the Grail, and the Sword. She explains how the Sword has dominated over the Goddess and the Grail for far too long, leading to a spiritual wasteland as foretold in the Grail stories. She provides a

practical workbook of exercises, visualizations, and magical rituals to restore the power of the divine feminine through spiritually transformative experiences with the Cauldron of Rebirth, the Chalice of Healing, the Sword of Light, and the Holy Grail itself. Drawing on folk traditions and medieval Arthurian romances as well as alchemy and the wisdom of the mystics of Glastonbury, Freeman reveals the ancient Celtic teachings of the Western Mystery tradition. She shows that attaining the Grail

involves achieving full consciousness of the soul. Then, as a Grail-bearer, you can bring the light of the Grail into the world for the healing of self and others.
