Cengage Learning

Focused on and organized around environmental issues, this innovative new book engages students and helps them critically evaluate possible solutions to the environmental problems we now face. The authors outline specific environmental issues and provide the scientific background to enable students to understand each issue. In order to find and apply solutions to these problems, they help students see that the problems are not insurmountable and that something can be done to achieve a sustainable future.

The modular chapters provide full descriptions of each of the major environmental problems with real stories about what people are doing to tackle the resulting challenges. Overall, ENVIRONMENTAL ISSUES AND SOLUTIONS: A MODULAR APPROACH, International Edition offers great flexibility for instructors and provides students with tools for building a sustainable future.

## 6th Learning

The 21ST CENTURY BUSINESS SERIES is an innovative instructional program providing instructors with the greatest flexibility to deliver business content using a modular format. Instructors can create their own business courses by combining several Learner Guides in the Series to form one-semester or two-semester courses. The individual Learner Guides can also be used as enhancements to more traditional business courses or to tailor new courses to meet emerging needs. The design and content of each Learner Guide in the 21ST CENTURY BUSINESS SERIES is engaging yet easy for students to use. The content focuses on providing opportunities for applying 21st skills while enabling innovative learning methods that integrate the use of supportive technology and creative problem solving approaches in today's business world. The CUSTOMER SERVICE LEARNER GUIDE includes information on customer service skills needed to succeed such as problem solving, time management, listening, and stress management. Also incorporated into the Learner Guide is the importance of being able to communicate using new technology and how it affects the role of customer service. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

description or the product text may not be available in the ebook version.

*Business Analytics* Cengage Learning  
Present the full range of analytics -- from descriptive and predictive to prescriptive analytics -- with Camm/Cochran/Fry/Ohlmann's market-leading BUSINESS ANALYTICS, 4E. Clear, step-by-step instructions teach students how to use Excel, Tableau, R and JMP Pro to solve more advanced analytics concepts. As instructor, you have the flexibility to choose your preferred software for teaching concepts. Extensive solutions to problems and cases save grading time, while providing students with critical practice. This edition covers topics beyond the traditional quantitative concepts, such as data visualization and data mining, which are increasingly important in today's analytical problem solving. In addition, MindTap and WebAssign customizable digital course solutions offer an interactive eBook, auto-graded exercises from the printed book, algorithmic practice problems with solutions and Exploring Analytics visualizations to strengthen students' understanding of course concepts.
