Centennial James A Michener

This book was
written to
commemorate the
US Bicentennial
in 1976 and is a
phenominal book

in its depth and in the story telling capabilities of James A Michener. The book tells the story of a part of America - Colorado. The mistreatment of "Indians" and the land grab of wanting more and more land for cattle is told in great detail.

Centennial
by James A. Michener
James Michener is the quintessential american story teller. The difference between the stories that Michener

tells and other great story tellers tell is the depth of his stories. When you read Centennial you don't just brush the surface about a town, but he takes you back to when the land was being created.
