**Impact Evaluation in Practice, Second Edition** Office of The Federal Register enhanced by IntraWEB, LLC

A revolutionary guidebook to achieving peace of mind by seeking the roots of human behavior in character and by learning principles rather than just practices. Covey's method is a pathway to wisdom and power.

**Emergency Medical Responder** John Wiley & Sons

Take your understanding to a whole new level with Pageburst digital books on VitalSource! Easy-to-use, interactive features let you make highlights, share notes, run instant topic searches, and so much more. Best of all, with Pageburst, you get flexible online, offline, and mobile access to all your digital books. With hundreds of detailed, full-color photographs of common surgical instruments, *Surgical Instrumentation: An Interactive Approach, 2nd Edition* makes it easier to learn the identification, purpose, and set up of instruments for surgical procedures. Many photos include close-up views of the instrument tip, so you can quickly discern differences between instruments. Interactive resources on Evolve let you rotate key instruments 360 degrees for viewing from any angle, zoom in to examine the tip or zoom out to reveal the entire instrument, and also include flash cards, timed memory exercises, Mayo stand set up quizzes, and animations of large and small fragmentation sets. Written for surgical technologists by surgical technology educator Renee Nemitz, this resource offers a level of visual clarity and realism unmatched by any other surgical instrument book! More than 600 full-color, high-quality photographs help you learn the most common surgical instruments for all surgical procedures. Consistent instrument monographs include the name, common name, category, use (type of surgery and where on the body), cautions relating to safety or patient care, and other details such as regional name variations. Student resources on the Evolve companion website include all of the images from the text, additional 360-degree views and close-ups of over 100 instruments, animations of large and small fragment sets, and timed recall exercises for practice in learning instruments. Close-up photos of more than 100 instruments show the details of each tip, demonstrating variations and making it easier to identify each surgical instrument. Presentation of two or fewer illustrations per page makes it easier to see the details of each instrument. Enhanced flash cards and quizzes on the Evolve companion website allow you to review instruments by chapter or to randomize your review with instruments from the entire text. Alternative names are added to the book's index for easier lookup of instruments whose names have regional variations. Enhanced quizzes on Evolve are available as Practice or Test options, and results may be printed out for submission to instructors.

**Top Five Regrets of the Dying** IntraWEB, LLC and Claitor's Law Publishing

The second edition of the *Impact Evaluation in Practice* handbook is a comprehensive and accessible introduction to impact evaluation for policy makers and development practitioners. First published in 2011, it has been used widely across the development and academic communities. The book incorporates real-world examples to present practical guidelines for designing and implementing impact evaluations. Readers will gain an understanding of impact evaluations and the best ways to use them to design evidence-based policies and programs. The updated version covers the newest techniques for evaluating programs and includes state-of-the-art implementation advice, as well as an expanded set of examples and case studies that draw on recent development challenges. It also includes new material on research ethics and partnerships to conduct impact evaluation. The handbook is divided into four sections: Part One discusses what to evaluate and why; Part Two presents the main impact evaluation methods; Part Three addresses how to manage impact evaluations; Part Four reviews impact evaluation sampling and data collection. Case studies illustrate

different applications of impact evaluations. The book links to complementary instructional material available online, including an applied case as well as questions and answers. The updated second edition will be a valuable resource for the international development community, universities, and policy makers looking to build better evidence around what works in development.

The *OR Survival Guide* From aseptic technique to effective communication and everything in between, here's the on-the-spot guidance you need to succeed in the OR in a pocket-sized, quick reference format. Consult it at the start of your day or between cases to jog your memory and build your confidence. Refresh your knowledge of the essentials of aseptic technique, surgical conscience, anatomy, basic set-up, instruments, and sutures. Be ready for challenging situations with tips for communicating effectively in the OR. Anticipate need and attune your critical thinking to be able to set up your back table and mayo stand quickly and efficiently, count effectively, and communicate well with your team. A Must Have in the OR "This little book is amazing. I've only had it a week and I absolutely love it. It has great tips and pointers that I've referred to many times throughout my day in the OR as a new nurse. The anatomy, prep and suture pages are my favorite-there is so much information on everything. Anything you write down with [a] pen is erasable as well. I've showed my coworkers and many are going to buy it, even the seasoned nurses." —Kathaleen, Online Reviewer I absolutely love it. It very helpful and i love how... "I'm a CST and this is the pocket book to have on you at all times!!!! I absolutely love it. It very helpful and i love how it breaks it down. So easy to understand." —Stefany, Online Reviewer Perfect! "Covers the basics. A must for a surgical technologist." —Online Reviewer

*Essentials of Fire Fighting and Fire Department Operations* Office of The Federal Register enhanced by IntraWEB, LLC

The federal government wastes your tax dollars worse than a drunken sailor on shore leave. The 1984 Grace Commission uncovered that the Department of Defense spent \$640 for a toilet seat and \$436 for a hammer. Twenty years later things weren't much better. In 2004, Congress spent a record-breaking \$22.9 billion dollars of your money on 10,656 of their pork-barrel projects. The war on terror has a lot to do with the record \$413 billion in deficit spending, but it's also the result of pork over the last 18 years the likes of: - \$50 million for an indoor rain forest in Iowa - \$102 million to study screwworms which were long ago eradicated from American soil - \$273,000 to combat goth culture in Missouri - \$2.2 million to renovate the North Pole (Lucky for Santa!) - \$50,000 for a tattoo removal program in California - \$1 million for ornamental fish research Funny in some instances and jaw-droppingly stupid and wasteful in others, *The Pig Book* proves one thing about Capitol Hill: pork is king!

*TEXES Social Studies 7-12 (232) Book + Online* Hay House, Inc

Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address

---

these issues while we still have the time. The Top Five Regrets of the Dying gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

The Pig Book Presbyterian Publishing Corp

The 7th edition is designed to provide Central Service Professionals with the latest information on all aspects of sterile processing and to introduce future Central Service professionals to the fast-paced field of CS. Helpful features to the text include over 300 color photos and charts and an easy-to-read format that identifies key words and concepts. Additionally, the Seventh Edition also includes several chapters focusing on unique aspects of CS, such as tools for cleaning, point of use preparation and transport, complex surgical instruments, point of use processing, tracking systems and ambulatory surgery and related practices. All of the text's chapters have been tailored to meet the educational needs of today's (and tomorrow's) Central Service Professionals. Topics such as microbiology, medical terminology, and anatomy and physiology are presented with a focus on what the CS professional needs to know. For example, the medical terminology chapter includes surgical terms and abbreviations and in addition to presenting an overview of major body systems, the anatomy and physiology chapter reviews common surgical procedures performed on each body system.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Contract Management Body of Knowledge, Sixth Edition "O'Reilly Media, Inc."

This workbook is designed to be used by participants in an anger management group treatment for individuals with substance use or mental disorders. Practitioners report that the manual and workbook have also been used successfully for self-study, without the support of a clinician or a group. The workbook provides individuals participating in the 12-week anger management group treatment with a summary of core concepts, worksheets for completing between-session challenges, and space to take notes for each of the sessions. The concepts and skills presented in the anger management treatment are best learned by practice and review and by completing the between-session challenges in this workbook. Using this workbook as you participate in the 12-week anger management group treatment will help you develop the skills that are necessary to successfully manage anger.
