Doug and Brenda Dawson have a library of thousands of old boat brochures, but do not have any owner ' s manuals. Most boats didn ' t come with manuals. None of the boat builders produced an owner ' s manual in the early years and only a few did in the more recent years; but they were very limited in information and quite generic to either the whole boat line or boating in general.

Centurion remains at the forefront in the development of the first tugboats for wakeboarding and wakesurfing. The main requirements for the

boat of those years were as follows: a high hitching point, an integrated ballast system to increase the wave behind the boat, large compartments for storing equipment, and a platform for launching into the water.
