At his peak, Al Fateh was the ruler of 25 countries. In the end, he was poisoned and killed by his enemies. Yet, the Ottoman Empire and legacy he left behind stayed standing strong.

The author of *Negotiating the Impossible* "tackles our assumptions about business and life with humor, zest, and wisdom in this delightful fable" (Daniel H. Pink, New York Times-bestselling author). If you were a mouse trapped in a maze and someone kept moving the cheese, what would you do? In a world where most mice dutifully accept their circumstances, ask no questions, and keep chasing the cheese, Deepak Malhotra tells an inspiring story about three unique and adventurous mice—Max, Big, and Zed—who refuse to accept their reality as given. *I Moved Your Cheese* reveals what is possible when we finally discard long-held and widely accepted assumptions about how we should live our lives. After all, achieving extraordinary success, personal or professional, has always depended on the ability to challenge assumptions, reshape the environment, and play by a different set of rules—our own. But rejecting deeply ingrained beliefs is not easy. As Zed explains, "You see, Max, the problem is not that the mouse is in the maze, but that the maze is in the mouse." "Deepak Malhotra allows you to glimpse a world of your own making without the limits and barriers that others create." —Stephen R. Covey, New York Times-bestselling author of *The 7 Habits of Highly Effective People* "A magnificent story with a powerful message. As someone who has encouraged scores of professionals into breaking through the maze and defining their own pursuits, I find this to be a gem of a book." —Vinod Khosla, cofounder, former CEO and Chairman, Sun Microsystems, and founder, Khosla Ventures "This book's message is both profound and durable. Malhotra has left the maze, and so can we." —Foreword Reviews

"Abbey's latter-day Luddites, introduced in his novel *The Monkey Wrench Gang*, are back—and not a moment too soon" (The New York Times). George Washington Hayduke III, ex-Green Beret, was last seen clinging to a rock face in the wilds of Utah as an armed posse hunted him down for his eco-radicalist crimes. Now he's back, with a fiery need for vengeance. . . . This sequel to Edward Abbey's cult classic brings back the old gang of environmental warriors, as they battle a fundamentalist preacher intent on turning the Grand Canyon into a uranium mine—in "a fine novel, combative and comic, anarchistic and ultimately redemptive" (Albuquerque Journal). This diary began as Mum's New Year's resolution to get me to write. She told me to write when I am doing my big business. 'Five to eight minutes max!' she said. 'I don't want you to develop piles!' And so my writing in the bathroom began. My entries started with the boring old stuff. Then Mum got this new job as a writer and following her around I got to do fun stuff like ogle at deformed frogs see into the future with a fortune-telling parrot and wow at a life-sized F1 car made of chocolate! That's how I got more interesting things to write about. Plus I had to deal with an EVIL bully who was tormenting me at school! Thank goodness for my best friends Alvin and Anthony - we rallied against the bully and got through the year with lots of fun and good adventure.>

Buku ini menjelaskan bagaimana kontrak sosial yang dimeterai Perlembagaan Persekutuan 1957 dirangka untuk tujuan menyelesaikan kepentingan semua kaum di Tanah Melayu, baik majoriti

mahupun minoriti. Pada masa sama, buku ini turut merungkai bagaimana 'kontrak sosial' yang tidak wujud secara istilah pada teks Perlembagaan Persekutuan 1957 diguna pakai untuk menterjemah takrif persefahaman dan kesepakatan bagi keadilan sosial tiga kaum terbesar di Tanah Melayu. Perlaksanaannya berteraskan semangat mendalam dan ia terbukti berkesan memelihara keharmonian kaum sehingga hari ini. Berikutan itu, ia wajar dilindungi dan buku ini akan memperincikan perbincangan yang disertakan dokumen lengkap bagi membolehkan kontrak sosial difahami dan seterusnya menutup debat percanggahan serta pertelingkahan yang hanya bermaksud mengucar-ngacirkan negara.

Due to failing health from old age, Genghis Khan did not live to fulfill his dreams of conquering the world. Those dreams however lived on in the hearts of his heirs, one of whom was Hulagu Khan. Like his grandfather, Hulagu Khan was a genius in military tactics and a brave Mongol horse warrior. When he took up command, the Mongols already had control of Central Asia with plans to head west. However, one thing stood in their way of expanding their Mongol Empire. It was the flourishing Abbasiyah Empire in West Asia. Hulagu Khan's sharp military tactics, combined with corruption amongst the rulers of the Abbasiyah Empire, finally saw the fall Baghdad. Conquered, Baghdad was destroyed. Its land turned red, swimming in the blood of the scientists and philosophers killed. Its waters ran black with ink from the libraries of books thrown into the Tigris river. It was the end of the Abbassid dynasty. Though victorious, the Mongol Empire's own end was near. Soon after the conquest of Aleppo and Damascus, Hulagu Khan's advance to expand his empire in Arabia was halted after his defeat to courageous Mamluk army in Ain Jalut.

It was a time when the Umayyad Empire was aggressively expanding their jurisdiction. Finally, they reached the borders of Africa and Europe — a border separated by the narrow strip of a strait. The first commander to cross these straits and set foot on European soil was none other than Tariq ibn Ziyad. A brave and formidable warrior, Tariq was a smart strategist. He strategically took of advantage of the time the Christian rulers of Andalusia were engulfed in a civil war to attack and ultimately defeat them. Hence, the straits that he crossed was honorably named after him, as Jabal Tariq or Gibraltar. After the Andalusian soil was conquered, Tariq advanced towards Paris but was annihilated at the mountains of the Alps. Tariq was also forced to retreat because the Caliphs were worried they would lose contact with him. From then on forth, Andalusia became one of Europe's shining stars amidst the dark ages.

And, more importantly, I'd get to see my dear friend Jolin. (Mum calls her the "object of my infatuation".) In these pieces, which have been personally selected by Trump for this book, he gives his special perspective in what amounts to an "informal education" about success in business and in life.
