From the creator of the popular website Ask a Manager and New York 's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There 's a reason Alison Green has been called “ the Dear Abby of the work world. ” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don 't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You 'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “ reply all ” • you 're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate 's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “ A must-read for anyone who works . . . [Alison Green 's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work. ” —Booklist (starred review) “ The author 's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers ' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience. ” —Library Journal (starred review) “ I am a huge fan of Alison Green 's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor. ” —Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “ Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way. ” —Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Passing the HESI Admission Assessment Exam is the first step on the journey to becoming a successful healthcare professional. Be prepared to pass the exam with the most up-to-date HESI Admission Assessment Exam Review, 5th Edition! From the testing experts at HESI, this user-friendly guide walks you through the topics and question types found on admission exams, including: math, reading comprehension, vocabulary, grammar, biology, chemistry, anatomy and physiology, and physics. The guide includes hundreds of sample questions as well as step-by-step explanations, illustrations, and comprehensive practice exams to help you review various subject areas and improve test-taking skills. Plus, the pre-test and post-test help identify your specific weak areas so study time can be focused where it 's needed most. HESI Hints boxes offer valuable test-taking tips, as well as rationales, suggestions, examples, and reminders for specific topics. Step-by-step explanations and sample problems in the math section show you how to work through each and know how to answer. Sample questions in all sections prepare you for the questions you will find on the A2 Exam. A 25-question pre-test at the beginning of the text helps assess your areas of strength and weakness before using the text. A 50-question comprehensive post-test at the back of the text includes rationales for correct and incorrect answers. Easy-to-read format with consistent section features (introduction, key terms, chapter outline, and a bulleted summary) help you organize your review time and understand the information. NEW! Updated, thoroughly reviewed content helps you prepare to pass the HESI Admission Assessment Exam. NEW! Comprehensive practice exams with over 200 questions on the Evolve companion site help you become familiar with the types of test questions. Think all NNAAP exam study guides are the same? Think again! With easy to understand lessons and practice test questions designed to maximize your score, you'll be ready. You don't want to waste time - and money! - having to study all over again because you didn't get effective studying in. You want to accelerate your education, not miss opportunities for starting your future career! Every year, thousands of people think that they are ready for the CNA (Certified Nurse Assistant) exam by the NNAAP, but realize too late when they get their score back that they were not ready

at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the CNA Exam...and they get a variety of results. Trivium Test Preps CNA NNAAP exam Study Guide provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the NNAAP exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our CNA (Certified Nurse Assistant) study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam; CNA practice questions are included so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven - not filled with excess junk, silly attempts at humor, or confusing filler - so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.

Admission Assessment Exam Review E-Book Test Prep Books

Presents a study guide with tips, techniques, test-taking advice, and exercises designed to help improve scores on the CNA examination.

The Nursing Assistant Independently Published On Sale Now! Get the Official CNA Study Guide before the sale ends! The Official CNA Study Guide was created so as to provide potential Certified Nursing Assistants that ability to effectively and efficiently prepare for the CNA exam. Unlike most CNA Study Guides, this Official CNA Study Guide boasts the most information, practice tests and more, for the lowest price on the market. How The CNA Study Guide Can Help You Getting a CNA certification can be a difficult process. First, you need to pass your written exam, and then you need to get through the practical portion as well. Although your certification course should help to give you the CNA building blocks, you'll still need something to help put it all together. This is where the Official CNA Study Guide can help! Through this professionally structured CNA Study Guide, you'll get key points from CNA professionals, study tips to help improve your score, and a layout to help you get more out of your studies in less time. In sum, this Certified Nursing Assistant Study Guide will help you and your studies become more efficient and effective. What the Official CNA Study Guide Will Provide The Official CNA Study Guide was structured so give you the necessary tools to build upon your course work and help to focus your studies in the area you need more help with. To accomplish such a task, we've provided the following features inside the CNA study guide: 1 Pretest 2 Practice Tests with Answers Both Written and Critical Skills Coverage Set of Procedures the Critical Skills Practical Exam Complete coverage of the CNA NNAAP Standardized Testing CNA Study Guide Benefits Break Down The CNA Pretest has been designed to help you figure out where you are strongest and what subjects you need extra help with. This will ensure you spend the right amount of time on the right areas. The set of procedures in this CNA Study Guide have been developed to help you prepare for all of the different practical factors you will most likely have to perform during your Skill Test set. The procedures in this CNA Study Guide will help to ensure you can quickly flip through them and get the right information and quickly move on to the next set with the swipe of a finger (if you're using our ebook version) or turn of a page. Finally, at the end, we will have 2 full practice tests so that you can gauge whether or not you are fully ready for your final certification. This will focus on key questions that many previous

CNAs have struggled with and will focus on those areas so as to give you the best indication of whether or not you are truly ready. Reasons Why You Need This CNA Study Guide Getting prepared for the CNA exam is no easy task. According to a result poll, over 27% of those that take the test, fail! That means those students wasted their money and their time. This can be absolutely frustrating and cause many problems in the future. Another reason having a CNA Study Guide on hand is super important is that once you become a certified nursing assistant, you will only have certification for that particular state. So, if you move to another state at some point in your life, you will have to re-certify in that state. That may sound easy, considering you might have done it for years before moving...however, imagine taking the drivers test again after all those years of learning how to really drive a car. You probably don't follow all of the rules, right? Well the same can happen to a CNA. They can develop the "get it done the right way" type attitude which won't test well on the certification exam. 10 out of 10 must have for all CNA's~CNA Exam Cram Certified Nursing Assistant Study Guide Mometrix Media LLC
