Certified Environmental Safety & Health Trainer (CET) Exam ...

I've spent a chunk of my career teaching environmental, health and safety (EHS) courses. I've know about the Certified Environmental, Safety and Health Trainer (CET) for years, but I didn't really need it for my job. Therefore, I never pursued it. I asked other EHS trainers I know and no one else had it or had even considered it.

The Professional Practice Exam (PPE) is different in that it tests your ability to respond to long and short answer questions. Your success lies in dedicating your study time to learning the different types of Law and Ethics questions, including how to answer them; and getting comfortable practising sample questions.

[My Path To The Certified Environmental, Safety and Health ...](#)

Passing the Professional Practice Exam (PPE) is a necessary step to becoming certified as a

technician or a technologist in Ontario.
Regrettably, OACETT does not release
sample/old exams for practicing (as this
would require a lot of extra work to come up
with new questions after each release of old
questions).
