

Ch 19 Cardiovascular System Packet Answer Key

Right here, we have countless book Ch 19 Cardiovascular System Packet Answer Key and collections to check out. We additionally present variant types and in addition to type of the books to browse. The customary book, fiction, history, novel, scientific research, as without difficulty as various new sorts of books are readily handy here.

As this Ch 19 Cardiovascular System Packet Answer Key, it ends stirring monster one of the favored books Ch 19 Cardiovascular System Packet Answer Key collections that we have. This is why you remain in the best website to look the amazing books to have.

The cardiovascular system includes the heart and: a. lungs c. digestive organs b. blood vessels d. endocrine system 2. The thick, muscular layer of the heart wall is the: a. endocardium c. myocardium b. valve d. apex 3. The lower chambers of the heart are the: a. ventricles c. base b. atria d. systole 4.

ANATOMY OF THE CARDIOVASCULAR SYSTEM

The cardiovascular system includes a muscular pump equipped with one-way valves and a system of large and small "plumbing" tubes within which the blood travels. (We discussed blood, the sub- stance transported, in Chapter 10.) Here we will consider the heart (the pump) and the blood ves- sels (the "plumbing").
