The euphoria evidenced in the aftermath of the collapse of communist regimes in the late 1980s and early 1990s sometimes conveyed the impression that the process of democratization would be achieved without difficulty or tribulation. This book sets out to provide a thorough comparative analysis of the challenges which face the emerging democracies of Central and Eastern Europe and considers the impact of political change. Drawing heavily on available survey data, the book provides an in-depth account of how the new democracies of Central and Eastern Europe have coped with four major challenges: political fragmentation, nationalism, lack of respect for human rights, and poorly developed civil service systems. The book demonstrates that although the first few years of the 1990s were marked by increasing disenchantment with the new regimes, the change of governments as a direct result of the electoral process and the prospects for European integration have served to reverse this negative trend. Indeed, the authors find that the new political systems have managed to cope with the challenges so effectively that striking similarities with Western democracies are now apparent. Offering new insights into democratic transition, *Challenges to Democracy* will appeal to political scientists, diplomats and policymakers, and economists with an interest in European and comparative politics.

Differentiated Reading for Comprehension is designed to provide high-interest, nonfiction reading success for all readers. This 64-page book focuses on sixth grade reading skills defined by the Common Core State Standards. Each of 15 stories is presented separately for the below-level, on-level, and advanced students, followed by a series of comprehension questions. Grade six covers such standards as quoting a text to explain an answer or draw inferences, identifying and explaining an author's reasons and evidence, and analyzing the structure of a text. --This series allows teachers to present the same content to below-level, on-level, and advanced students with leveled nonfiction stories. It includes multiple-choice, fill-in-the-blank, and true/false questions; short-answer writing practice; and comprehension questions. Students stay interested, build confidence, and discover that reading can be fun! The reading passages are separated into sections with titles such as *Extreme Places*, *Amazing People*, *Wild Animals*, *Strange and Unexplained*, *Fascinating Machines*, and *Amazing Kids*.

Men are losing their masculinity. Guys are urged to get in touch with their "feminine" side at the expense of the traditional attributes that make men "male." Not only has "manliness" become a dirty word in a society of beta males and couch potatoes, but there's actually less and less of it in the blood of too many American men, with studies showing declines in average testosterone levels over the past 20 years. Today's men need a major adjustment of alpha attitude, and "Alpha Male Challenge" is the 10-week plan for reclaiming the masculine, competitive edge guys need to be on top of their game in every aspect of their lives. It's the new blueprint for the "true" Alpha Male--the ideal of masculine excellence today. More than just another fitness book, this three-part exercise, diet, and mind-set overhaul features: the revolutionary MaleScale assessment questionnaire that measures the physical and mental traits that define the true Alpha Male; a step-by-step regimen to develop the Four C's of Alpha Attitude: commitment, confidence, courage, and conscience; the Alpha Wave Basic Training program to build muscle, burn fat, and produce testosterone; the Work Heart/Play Heart cardio system; and the Alpha Fuel Solution, a convenient approach to food and supplements with simple Fuel Rules based on what the human body was designed to eat over the past 2.5 million years, tweaked with cutting edge innovations. This is a straightforward instruction manual to build the kind of man these hard times demand: ruggedly powerful and supremely confident. It will help guys become more successful in their workouts, in their careers, and even in their relationships, as they learn to embody the everyday heroism of the true Alpha Male.
