Offers instructions on building applications for the Kindle Fire, covering such topics as configuring the Android manifest file, building an application framework, the testing phase, and publishing the finished product.

Webster's New World Thesaurus Houghton Mifflin
Harcourt

A lyrical gay coming-of-age story first published in 1951, acclaimed by Gore Vidal and The New York Times, about Matthew, a young American who moves to

France with his mother following his parents' divorce. As Matthew navigates his budding sexuality and complicated new relationships, he is forced to confront finistère-land's end-where the brutal truths of the world can be found. Includes an appendix of materials about the book and author, as well as an introduction by acclaimed author Michael Bronski. Part of the Little Sister's Classics series, which resurrects out-of-print gay and lesbian books from the past.

The Call of Home series Choosing Home You can never

escape from yourself. Zac McKenzie is an ex-professional footballer with a secret he gave up his career to protect. Several years ago, he fled to his home in the North East of Scotland to avoid being outed as gay. Now, he owns a successful hotel and restaurant, but is it time to finally come out into the open? Seth Pritchard feels he's damaged goods. He comes to Scotland to escape memories of the accident that left him injured, his bullying stepbrothers and a life of lies. For their whole lives, Zac and Seth have denied who they truly are to themselves as well as others. When they meet, each man is forced to confront his fears and tear them down one by one. Returning Home You can never escape from yourself. When Darach McNaughton returns to his home town, the one thing he isn't looking for is love. But when he meets the mysterious Brice Drummond, his investigative instinct isn't the only thing aroused. After a gang beats Brice Drummond, leaves him for dead, and needing to use a wheelchair, he ends up in a witness protection program. His only company is a beautiful cat aptly named Princess. He creates beautiful pieces of art, but allows no one into his life—until a handsome policeman appears out of nowhere. On a snowy night, Darach McNaughton returns a crying cat to its owner and is immediately curious about the beautiful man with the tattoos. Bit by bit, Darach uncovers the shocking truth about Brice's history. Can he get past what he discovers? Can Brice let someone into his life? Or will the past catch up with them both and tear their fledgling love apart? Staying Home You can never escape yourself. It has been a year since the death of Brodie & 'Tosh'

Mackintosh's husband, Harry. Unable to face all the memories of their life together, he moves into the house of his best friend, Darach McNaughton, and is comforted by the local Church of Scotland minister, Sam Carmichael, the middle of the five Carmichael brothers. Sam Carmichael has always been a bit different from his siblings. He's the only blond in a family of redheads, and the only one with religious beliefs. He also has more than one secret. Can these two men overcome the events of their pasts and find truth and comfort with each other? And, when all their secrets are revealed, will they be forced apart or be able to plan on staying home together?

Boy meets Cop. For the first time, books 1 - 3 of The Adrien English Mysteries collected in one volume! Fatal Shadows - When his former best friend and employee is murdered following a very public argument, bookseller and sometimes mystery writer Adrien English finds himself suspected of murder. A Dangerous Thing - Adrien English arrives at the Pine Shadow Ranch only to find a corpse in his driveway. By the time the unfriendly local sheriffs arrive, the body has disappeared. The Hell You Say - It 's Christmas time and the " ill-starred and bookish " bookseller and occasional mystery writer must contend with a Satanic cult, a handsome university professor and his on-again/off-again relationship with the eternally conflicted LAPD Detective Jake Riordan. And, as ever, murder...

A book about Taylor. Made with love. By fans. For fans. “Delightful...A rich and exhaustive production...Swifties have gotten their bible.” —The New Yorker Ten years ago, an unknown sixteen-year-old released a self-titled debut country album. A decade later, Taylor Swift has reached record-breaking, chart-topping heights. A ten-time Grammy winner, Swift has been hailed for her songwriting talent, crossed effortlessly from country to pop, and established herself as a musician who can surprise, delight, and inspire, all while connecting with her fans in a way that only she can. Amazingly, after all these years, there is no great, comprehensive book about Swift for her fans. Until now. This book, a fan-generated celebration of Swift’s first decade as an artist, collects the best writing and images from the past ten years in one gorgeous volume. From prefame interviews with Swift in local Pennsylvania newspapers to major profiles in The New Yorker and Rolling Stone; from album reviews by top critics such as Robert Christgau, Sasha Frere-Jones, and Ann Powers to essays by

beloved novelists like Maggie Shipstead; from Tavi Gevinson’s classic ode to Swift in The Believer to Q&As with Chuck Klosterman and humorous analysis from McSweeney’s and The Hairpin; from album-themed crossword puzzles and adult coloring pages to profiles of Taylor’s biggest fans; from an excerpt of the soon-to-be-published novel Taylor Swift: Girl Detective to a “book within a book” of Swift’s most inspiring quotations titled (naturally) The Tao of Tay, this book is the vital collection of all things Taylor. Here, finally, is the must-have book for every Swiftie and every music lover. For, as Klosterman wrote in GQ, “If you don’t take Swift seriously, you don’t take contemporary music seriously.” * This book is a tribute to Taylor Swift, but she was not involved in its creation. *

The Reader's Digest Great Encyclopedic Dictionary Wardja Press Along with its interrelated companion volume, The Content, Impact, and Regulation of Streaming Video, this book covers the next generation of TV—streaming online video, with details about its present and a broad perspective on the future. It reviews the new technical elements that are emerging, both in hardware and software, their long-term trend, and the implications. It discusses the emerging ‘media cloud’ of video and infrastructure platforms, and the organizational form of such TV.

Business Partner B1 ebook Online Access Code Routledge Apple's third-generation iPad has a new, razor-sharp Retina display and a robust processor that will dazzle you with their looks and speed, but you won't get far without an owner's manual to all the tablet's features. This comprehensive guide shows you how to transfer media to your iPad, sync and shop wirelessly, tap into WiFi and 4G cellular networks, and use iTunes for media management. The important stuff you need to know: Build your media library. Fill

your iPad with music, photos, movies, TV shows, games, eBooks, and more. Sync wirelessly. Keep your iPad's apps, media, and email messages current without cabling up. Capture stunning images. Take photos and HD video with the tablet's new 5 megapixel iSight camera. Get online. Connect via WiFi or the blazing-fast 4G LTE cellular network--and create a free Wi-Fi hotspot with Verizon's iPad. Take dictation. Speak? email messages and notes, and have the iPad type them up.

The Technology, Business, and Economics of Streaming Video W. W. Norton & Company

The Environmental Documentary provides the first extensive coverage of the most important environmental films of the decade, including their approach to their topics and their impacts on public opinion and political debate. While documentaries with themes of environmental activism date back at least to Pare Lorenz's films of the 1930's, no previous decade has produced the number and quality of films that engage environmental issues from an activist viewpoint. The convergence of high profile issues like climate change, fossil fuel depletion, animal abuse, and corporate malfeasance has combined with the miniaturization of high quality recording equipment and the expansion of documentary programming, to produce an unprecedented number of important and influential documentary productions. The text examines the processes of production and distribution that have produced this explosion in documentaries. The films range from a high-profile Hollywood production with theatrical distribution like An Inconvenient Truth, to shorter independently produced films like The End of Suburbia that have reached a small audience of activists through video distribution, interviews with many of the filmmakers, and word of mouth.

Since it's mobile, it's always easy to access no matter where you are, with your tablet, smart phone, or computer.

Android Wireless Application Development Simon and Schuster

The wildly entertaining story of progressive rock, the music that

ruled the 1970s charts—and has divided listeners ever since. The Show That Never Ends is the definitive story of the extraordinary rise and fall of progressive (“ prog ”) rock. Epitomized by such classic, chart-topping bands as Yes, Genesis, Pink Floyd, Jethro Tull, and Emerson Lake & Palmer, along with such successors as Rush, Marillion, Asia, Styx, and Porcupine Tree, prog sold hundreds of millions of records. It brought into the mainstream concept albums, spaced-out cover art, crazy time signatures, multitrack recording, and stagecraft so bombastic it was spoofed in the classic movie This Is Spinal Tap. With a vast knowledge of what Rolling Stone has called “ the deliciously decadent genre that the punks failed to kill, ” access to key people who made the music, and the passion of a true enthusiast, Washington Post national reporter David Weigel tells the story of prog in all its pomp, creativity, and excess. Weigel explains exactly what was “ progressive ” about prog rock and how its complexity and experimentalism arose from such precursors as the Beach Boys ’ Pet Sounds and the Beatles ’ Sgt. Pepper. He traces prog ’ s popularity from the massive success of Procol Harum ’ s “ Whiter Shade of Pale ” and the Moody Blues ’ “ Nights in White Satin ” in 1967. He reveals how prog ’ s best-selling, epochal albums were made, including The Dark Side of the Moon, Thick as a Brick, and Tubular Bells. And he explores the rise of new instruments into the prog mix, such as the synthesizer, flute, mellotron, and—famously—the double-neck guitar. The Show That Never Ends is filled with the candid reminiscences of prog ’ s celebrated musicians. It also features memorable portraits of the vital contributions of producers, empresarios, and technicians such as Richard Branson, Brian Eno, Ahmet Ertegun, and Bob Moog.

Ultimately, Weigel defends prog from the enormous derision it has received for a generation, and he reveals the new critical respect and popularity it has achieved in its contemporary resurgence.
