The Emperor's Spears are a Chapter on the edge of destruction, last watchmen over the Elara's Veil nebula. Now, the decisions of one man, Amadeus Kaias Incarius of the Mentor Legion, will determine the Chapter's fate... The scattered worlds of the Elara's Veil nebula were once protected by the oath of unity sworn by three mighty Chapters of the Adeptus Astartes. The Star Scorpions were undone by flaws in their genetic coding. The Celestial Lions were ravaged by the Inquisition for sins they did not commit. Now, after hundreds of years, only the Emperor's Spears still keep their vigil. They are barbarian watchmen against the Outer Dark; bloodied but unbroken in their long duty. Amadeus Kaias Incarius, a brother of the Mentor Legion, is commanded to cross the Great Rift and assess the Spears' war-readiness, only to be drawn into the chaotic plight of a depleted crusade on the Imperium's benighted frontier. The decisions he makes, far from the God-Emperor's light, will decide the fate of the war-torn Chapter.

Don ’ t miss the Blood of Eden trilogy by the New York Times bestselling author of The Iron Fey and The Talon Saga! This darkly thrilling series, set in a destroyed, near-future world, will captivate fans of the Divergent, Hunger Games and Maze Runner series. VENGEANCE WILL BE HERS Allison Sekemoto once struggled with the question: human or monster? With the death of her love, Zeke, she has her answer. MONSTER Allie will embrace her cold vampire side to hunt down and end Sarren, the psychopathic vampire who murdered Zeke. But the trail is bloody and long, and Sarren has left many surprises for Allie and her companions—her creator, Kanin, and her blood brother, Jackal. The trail is leading straight to the one place they must protect at any cost—the last vampire-free zone on Earth, Eden. And Sarren has one final, brutal shock in store for Allie. In a ruined world where no life is sacred and former allies can turn on you in one heartbeat, Allie will face her darkest days. And if she succeeds, triumph is short-lived in the face of surviving forever alone. Originally published in April 2014.

Spear of the Emperor Harlequin

From the limitless imagination of New York Times and USA Today bestselling author Julie Kagawa, return to the world of The Iron Fey. In less than twenty-four hours I’ll be seventeen. Although, technically, I won’t actually be turning seventeen. I’ve been in the Nevernever too long. When you’re in Faery, you don’t age. So while a year has passed in the real world, agewise I’m probably only a few days older than when I went in. In real life, I’ve changed so much I don’t even recognize myself. MY NAME IS MEGHAN CHASE. I thought it was over. That my time with the fey, the impossible choices I had to make, the sacrifices of those I loved, was behind me. But a storm is approaching, an army of Iron fey that will drag me back, kicking and screaming. Drag me away from the banished prince who’s sworn to stand by my side. Drag me into the core of conflict so powerful, I’m not sure anyone can survive it. THIS TIME, THERE WILL BE NO TURNING BACK. Don’t miss the first book in Julie Kagawa’s highly anticipated new series, SHADOW OF THE FOX, AVAILABLE OCTOBER 2, 2018 “Julie Kagawa is one killer storyteller.” –MTV’s Hollywood Crush blog “The Iron King has the...enchantment, imagination and adventure of... From the limitless imagination of New York Times and USA Today bestselling author Julie Kagawa, The Iron Fey series continues. WHEN WE MET, I HAD NO IDEA HE WOULD BE THE CATALYST...FOR THE END OF EVERYTHING After his unexpected journey into the lands of the fey, Ethan Chase just wants to get back to normal. Well, as “ normal ” as you can be when you see faeries every day of your life. Suddenly the former loner with the bad reputation has someone to try for—his girlfriend, Kenzie. Never mind that he ’ s forbidden to see her again. But when your name is Ethan Chase and your sister is one of the most powerful faeries in the Nevernever, “ normal ” simply isn ’ t to be. Ethan ’ s nephew, Keirran, is missing, and may be on the verge of doing something unthinkable in the name of saving his own love. Something that will fracture the human and faery worlds forever, and give rise to the dangerous fey known as the Forgotten. As Ethan ’ s and Keirran ’ s fates entwine and Keirran slips further into darkness, Ethan ’ s next choice may decide the fate of them all. “ Julie Kagawa is one killer storyteller. ” —MTV ’ s Hollywood Crush blog “ The Iron King has the...enchantment, imagination and adventure of... This book is based on an expert group meeting entitled 'Male Roles and Masculinities in the Perspective of a Culture of Peace', which was organised by UNESCO in Oslo, Norway in 1997, the first international discussion of the connections between men and masculinity and peace and war. The group consisted of researchers, activists, policy makers and administrators and the aim of the meeting was to formulate practical suggestions for change. Chapters in the book consist of both regional case studies and social science research on the connections of traditional masculinity and patriarchy to violence and peace building. The Culture of Peace initiatives in this book show how violence is ineffective, and the book contests the views in the socialisation of boy-children that aggressiveness, violence and force are an acceptable means of expression.

Three years before the September 11 bombing of the World Trade Center-a Chinese military manual called Unrestricted Warfare touted such an attack-suggesting it would be difficult for the U.S. military to cope with. The events of September 11 were not a random act perpetrated by independent agents. The doctrine of total war outlined in Unrestricted Warfare clearly demonstrates that the People's Republic of China is preparing to confront the United States and our allies by conducting "asymmetrical" or multidimensional attack on almost every aspect of our social, economic and political life.

The Age of Darkness Harlequin

Massive anthology of short stories themed around the guerrilla war waged by the remnants of the three Space Marine Legions massacred at Isstvan V. Driven almost to the brink of self-destruction at Isstvan V, the Iron Hands now seek vengeance for the murder of their primarch Ferrus Manus. Gathering survivors from the Raven Guard and the Salamanders aboard any vessels capable of warp travel, these Shattered Legions wage a new campaign of annihilation against the traitor forces across the galaxy – a campaign masterminded by legendary warleader Shadrak Meduson. This Horus Heresy anthology contains ten short stories by authors including Dan Abnett, Chris Wraight and John French. Also included is the novella The Seventh Serpent, where author Graham McNeill revisits the ragtag crew of the starship Sisyphus as they are drawn into a war of subterfuge against the Alpha Legion. War, Peace and International Relations Routledge

Despite the strong influence of just war theory in military law and practice, warfare is commonly considered devoid of morality. Yet even in the most horrific of human activities, there is frequent communication and cooperation between enemies. One remarkable example is the Christmas truce—unofficial ceasefires between German and English trenches in December 1914 in which soldiers even mingled in No Man ’ s Land. In Conspiring with the Enemy, Yvonne Chiu offers a new understanding of why and how enemies work together to constrain violence in warfare. Chiu argues that what she calls an ethic of cooperation is found in modern warfare to such an extent that it is often taken for granted. The importance of cooperation becomes especially clear when wartime ethics reach a gray area: To whom should the laws of war apply? Who qualifies as a combatant? Should guerrillas or terrorists receive protections? Fundamentally, Chiu shows, the norms of war rely on consensus on the existence and content of the laws of war. In a wide-ranging consideration of pivotal instances of cooperation, Chiu examines weapons bans, treatment of prisoners of war, and the

Geneva Conventions, as well as the tensions between the ethic of cooperation and the pillars of just war theory. An original exploration of a crucial but overlooked phenomenon, *Conspiring with the Enemy* is a significant contribution to military ethics and political philosophy.
