**World in the Making** McDougal Littell/Houghton Mifflin

"A World in the Making is a kind of anthropological journey taken by four historians that assumes all societies are "hot," and all people make history and always have. We argue in our emphasis on lives and livelihoods for a world constructed, altered, renovated, remade by ordinary people even as we acknowledge the genius of individual innovators, disruptors who broke the mold or struck out in some new direction."--Provided by publisher.

**American Pageant** McGraw-Hill/Glencoe

The leading text in the U.S. survey course.

**CliffsNotes AP U.S. History Cram Plan Princeton Review**

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Traditions & Encounters** McGraw-Hill Education

After her mother's death, Lily Owens and her African-American maid seek refuge from the racism of their South Carolina hometown with eccentric beekeeping sisters in this coming of age story representing the letter "K" in a new series of twenty-six collectible editions.

**Brinkley, American History: Connecting with the Past UPDATED AP Edition, 2017, 15e, Student Edition** W. W. Norton & Company

"Linking America's past to the lives of kids today, Howard Egger-Bovet's latest American history production illustrates the power of Feudalism, the Articles of Confederation, the Magna Carta, and the Constitution. These DVDs include original and historical music, puppetry, and cinematography, and sends kids on an interactive walk through history."--Container.

**American History** Houghton Mifflin College Division

For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more on the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. *A Patriot's History of the United States* corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book offers a long-overdue acknowledgment of America's true and proud history.

Cracking the AP U. S. History, 2004-2005 Research & Education Assoc.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

By the People Gale Cengage Learning

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," *Leaves of Grass* The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and

beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Political Debates Between Abraham Lincoln and Stephen A. Douglas in the Celebrated Campaign of 1858 in Illinois Perfection Learning

USAs historie indtil 1996

AP® U.S. History Crash Course Book + Online Research & Education Assoc.

Donald Trump is the exact threat our Founding Fathers feared. Joe Walsh is as rock-ribbed a conservative as they come. But he believes that no right-wing policy victory is worth the loss of our very democracy. In this clear-eyed and unsparing book, Walsh makes the case that Trump has more in common with the foreign dictators he praises publicly than a predecessor like Ronald Reagan. Trump is an existential threat to conservatism, the presidency, and national unity. He has violated the Constitution in plain sight, assaulted democratic institutions, overwhelmed the country with disinformation, erected around himself a cult of personality, and governed according to his narcissism more than any discernable political philosophy. Though Walsh agrees with Trump that the Washington elite has hung working-class America out to dry, traveling down the road to despotism is no response. And now a person who places himself above the rule of law and accountability sits in the Oval Office—all that's missing is a big, beautiful throne behind the Resolute Desk. In F\*ck Silence, Walsh challenges his countrymen, especially his fellow conservatives, to acknowledge and oppose this unpatriotic and un-American behavior before we give away what made America great in the first place: our democracy.

U.S. History Penguin Books

Out of Many is a coherent narrative of American history that offers insight into how diverse communities and different regions have shaped America's past. The text reveals the ethnic, geographical and economic diversity of the United States by examining the individual, the community and the state and placing a special focus on the country's regions, particularly the West. The updated edition features new and expanded coverage of a wide variety of topics in addition to MyHistoryLab tools that connect the text to interactive online learning tools to bring U.S. history to life.
