Minesweeper (Special Forces, Book 2) Penguin  
Written by award-winning African novelist Mariama Bâ and translated from the original French, *So Long a Letter* has been recognized as one

of Africa's 100 Best Books of the 20th Century. The brief narrative, written as an extended letter, is a sequence of reminiscences—some wistful, some bitter—recently widowed Senegalese schoolteacher Ramatoulaye Fall. Addressed to a lifelong friend, Aissatou, it is a record of Ramatoulaye's emotional struggle for survival after her husband betrayed their marriage by taking a second wife. This semi-autobiographical account is a perceptive testimony to the plight of educated and articulate Muslim women. Sir Percy Blakeney leads a double life: apparently nothing more than a wealthy fop, but in reality a formidable swordsman and a quick-thinking escape artist. The band of gentlemen who assist him are the only ones who know of his secret identity. He is known by his symbol, a simple flower, the scarlet pimpernel (*Anagallis arvensis*). Marguerite

Blakeney, his French wife, does not share his secret. She is approached by the new French envoy to England, Chauvelin, with a threat to her brother's life if she does not aid in the search for the Pimpernel. She aids him, and then discovers that the Pimpernel is also very dear to her. She sails to France to stop the envoy." [The Westing Game](#)

*The Tibetan Book of the Dead* is one of the texts that, according to legend, Padma-Sambhava was compelled to hide during his visit to Tibet in the late 8th century. The guru hid his books in stones, lakes, and pillars because the Tibetans of that day and age were somehow unprepared for their teachings.

Now, in the form of the ever-popular *Tibetan Book of the Dead*, these teachings are constantly being discovered and rediscovered by Western readers of many different backgrounds--a

phenomenon which began in 1927 with Oxford's first edition of Dr. Evans-Wentz's landmark volume.

While it is traditionally used as a mortuary text, to be read or recited in the presence of a dead or dying person, this book--which relates the whole experience of death and rebirth in three intermediate states of being--was originally understood as a guide not only for the dead but also for the living. As a contribution to the science of death and dying--not to mention the belief in life after death, or the belief in rebirth--*The Tibetan Book of the Dead* is unique among the sacred texts of the world, for its socio-cultural influence in this regard is without comparison. This

---

fourth edition features a new foreword, afterword, and suggested further reading list by Donald S. Lopez, author of *Prisoners of Shangri-La: Tibetan Buddhism and the West*. Lopez traces the whole history of the late Evans-Wentz's three earlier editions of this book, fully considering the work of contributors to previous editions (C. G. Jung among them), the sections that were added by Evans-Wentz along the way, the questions surrounding the book's translation, and finally the volume's profound importance in engendering both popular and academic interest in the religion and culture of Tibet. Another key theme that Lopez addresses

is the changing nature of this book's audience--from the prewar theosophists to the beat poets to the hippies to contemporary exponents of the hospice movement--and what these audiences have found (or sought) in its very old pages.

hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman 's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the " soul of pampered self-absorption " ; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.
