Dear Ann
Penguin

During the first forty-five years of the city's existence, slavery dominated the cultural and economic life of Memphis. The lives of enslaved people reveal the

brutality, and their perseverance contributed greatly to the city's growth. Henry Davidson played a crucial role in the development of the city's first Methodist church and worship services for slaves. Mary Herndon was purchased by Nathan Bedford Forrest and sold to Louis Fortner, for

whom she was put to work in the field, where she "chopped cotton, plowed it and did everything any other slave done." Thomas Bland secretly learned to read and write from a skilled slave and later used that knowledge to escape to Canada. Author G. Wayne Dowdy uncovers the forgotten people who

built Memphis and the American South. Bless Me, Ultima Wyatt North Publishing, LLC Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade. The Scarlet Letter Houghton Mifflin Harcourt Free-spirited Marabel must defy expectations to rescue her brother--and their kingdom--in this charming, action-

packed, and magical story perfect for fans of Ella Enchanted and Dealing with Dragons. In Magikos, life is dictated by the Book of Fate's ancient predictions, including the birth of a royal Chosen One who will save the realm. Princess Marabel has grown up in the shadow of her twin brother, Marco, who everyone assumes is the true Chosen One. While Marco is adored and given every opportunity, Marabel is overlooked and has to practice her

sword fighting in secret. But on the night of their thirteenth birthday, Marco is kidnapped by an evil queen, and Marabel runs to his rescue. Outside the castle walls for the first time, accompanied by her best friend and a very smug unicorn, Marabel embarks on a daring mission that brings her face-to-face with fairies, trolls, giants--and the possibility that all is not as it seems in Magikos. Marabel and the Book of Fate Penguin Dive deep into the vivid underwater

world of Dark Life!The oceans rose, swallowing the lowlands. Earthquakes shattered the continents, toppling entire regions into the rising water. Now, humans live packed into stack cities. The only ones with any space of their own are those who live on the ocean floor: the Dark Life.Ty has spent his whole life living deep undersea. When outlaws attack his homestead, he finds himself in a fight to save the only home he has ever known. Joined by Gemma, a girl

from Topside, Ty ventures into the frontier's rough underworld and discovers some dark secrets to **Dark Life. Secrets** that threaten to destroy everything.

The Distance

Between Us Little, Brown Books for Young Readers

“The kind of book that's destined to be passed from friend to friend.”—PopSugar
Two best friends say “I do” to living together, for better or worse, in this bold women's fiction novel from Alexa Martin. Jude Andrews is famous. Well, at least on Instagram. Her brand is clean eating, good vibes, Pilates, and casually looking like a sun-kissed goddess.

In real life, however, she's a total disaster. She has a strained relationship with her fame-hungry mom and her latest bad decision emptied out her entire savings account. Lauren Turner had a plan: graduate medical school and become the top surgeon in the country. But when she became unexpectedly pregnant, those plans changed. And when her fiancé left her, they changed again. Now navigating the new world of coparenting, mom groups, and dating, she decides to launch a mommy podcast with all the advice she wishes someone had given her. Jude and Lauren don't have much in common, but maybe that's why they've been best friends since the third

grade. Through ups and downs, they've been by each other's sides. But now? They're broke, single, and do the only thing that makes sense—move in together, just like they talked about when they were teenagers. Except when they were younger, the plan didn't include a five-year-old daughter and more baggage than their new townhouse can hold.

more. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—*Unbroken* is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the top nonfiction book of the year by *Time* magazine • Winner of the Los Angeles Times Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award “Extraordinarily moving . . . a powerfully drawn survival epic.”—*The Wall Street Journal* “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurb-y adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing,

chilling, and inspiring.”—New York “Staggering . . . mesmerizing . . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—People “A meticulous, soaring and beautifully written account of an extraordinary life.”—The Washington Post “Ambitious and powerful . . . a startling narrative and an inspirational book.”—The New York Times Book Review “Magnificent . . . incredible . . . [Hillenbrand] has crafted another

masterful blend of sports, history and overcoming terrific odds; this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times.”—The Dallas Morning News “An astonishing testament to the superhuman power of tenacity.”—Entertainment Weekly “A tale of triumph and redemption . . . astonishingly detailed.”—O: The Oprah Magazine “[A] masterfully told true story . . . nothing less than a marvel.”—Washingtonian “[Hillenbrand tells this] story with cool elegance but a thrilling sprinter’s

pace.”—Time “Hillenbrand [is] one of our best writers of narrative history. You don’t have to be a sports fan or a war-history buff to devour this book—you just have to love great storytelling.”—Rebecca Skloot, author of *The Immortal Life of Henrietta Lacks* *Stories from a South African Childhood* HarperCollins Before there were guidebooks, there were just guides—people in the community you could count on to show you around. I’ll Take You There is written by and with the people who most intimately know Nashville, foregrounding the struggles and achievements of

people's movements toward social justice. The colloquial use of "I'll take you there" has long been a response to the call of a stranger: for recommendations of safe passage through unfamiliar territory, a decent meal and place to lay one's head, or perhaps a watering hole or juke joint. In this book, more than one hundred Nashvillians "take us there," guiding us to places we might not otherwise encounter. Their collective entries bear witness to the ways that power has been used by social, political, and economic elites to tell or omit certain stories, while celebrating the power of counternarratives as a tool to resist injustice. Indeed, each entry is simultaneously a story

about place, power, and the historic and ongoing struggle toward a more just city for all. The result is akin to the experience of asking for directions in an unfamiliar place and receiving a warm offer from a local to lead you on, accompanied by a tale or two.

Harper Collins Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the

complex, charged bond between fathers and sons.

"Terrifying...

Eloquent... A heart-rending drama of human yearning."

—New York Times

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt.

McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson

Supreme Court
Justice Sonia
Sotomayor tells her
own story for young
readers for the very
first time! As the first
Latina Supreme
Court Justice, Sonia
Sotomayor has
inspired young
people around the
world to reach for
their dreams. But
what inspired her?
For young Sonia, the
answer was books!
They were her
mirrors, her maps,
her friends, and her
teachers. They helped
her to connect with
her family in New
York and in Puerto
Rico, to deal with her
diabetes diagnosis, to

cope with her father's
death, to uncover the
secrets of the world,
and to dream of a
future for herself in
which anything was
possible. In Turning
Pages, Justice
Sotomayor shares that
love of books with a
new generation of
readers, and inspires
them to read and
puzzle and dream for
themselves.
Accompanied by Lulu
Delacre's vibrant art,
this story of the
Justice's life shows
readers that the world
is full of promise and
possibility--all they
need to do is turn the
page. Praise for

A Memoir Simon
and Schuster
"For a woman
who thinks of
herself as a New

Yorker at this point, I buy a lot of clothes from companies named things like Shrimp & Grits. Why? Because identity is complicated.” Elizabeth Passarella is content with being complicated. She grew up in Memphis in a conservative, Republican family with a Christian mom and a Jewish dad. Then she moved to New York, fell in love with the city—and, eventually, her husband—and changed. Sort of. While her politics have tilted to the left, she still puts

her faith first—and argues that the two can go hand in hand, for what it’s worth. In this sharp and slyly profound memoir, Elizabeth shares stories about everything from conceiving a baby in an unair-conditioned garage in Florida to finding a rat in her bedroom. She upends stereotypes about Southerners, New Yorkers, and Christians, making a case that we are all flawed humans simply doing our best. Good Apple is a hilarious, welcome celebration of the absurdity, chaos,

and strange sacredness of life that brings us all together, whether we have city lights or starry skies in our eyes. More importantly, it’s about the God who pursues each of us, no matter our own inconsistencies or failures, and shows us the way back home. Enslavement in Memphis Scholastic Inc. From the acclaimed author of the classics *Shiloh and Other Stories* and *In Country* comes a beautifully crafted and profoundly moving novel which follows a woman as she looks back over her life and her first love. Ann Workman

is smart but naïve, a misfit who’s traveled from rural Kentucky to graduate school in the transformative years of the late 1960s. While Ann fervently seeks higher learning, she wants what all girls yearn for—a boyfriend. But not any boy. She wants the “Real Thing,” to be in love with someone who loves her equally. Then Jimmy appears as if by magic. Although he comes from a very different place, upper-middle class suburban Chicago, he is a misfit too, a rebel who rejects his upbringing and questions everything. Ann and Jimmy bond through music and literature and their own quirkiness, diving headfirst into what seems to be a perfect

relationship. But with the Vietnam War looming and the country in turmoil, their future is uncertain. Many years later, Ann recalls this time of innocence—and her own obsession with Jimmy—as she faces another life crisis. Seeking escape from her problems, she tries to imagine where she might be if she had chosen differently all those years ago. What if she had gone to Stanford University, as her mentor had urged, instead of a small school on the East Coast? Would she have been caught up in the Summer of Love and its subsequent dark turns? Or would her own good sense have saved her from disaster? Beautifully written and expertly

told, *Dear Ann* is the wrenching story of one woman’s life and the choices she has made. Bobbie Ann Mason captures at once the excitement of youth and the nostalgia of age, and how consideration of the road not taken—the interplay of memory and imagination—can illuminate, and perhaps overtake, our present.

HarperCollins
A New York Times Notable Book of 2020†<
The first book to explore the

historical role and residual impact of the Green Book, a travel guide for black motorists Published from 1936 to 1966, the Green Book was hailed as the “black travel guide to America.” At that time, it was very dangerous and difficult for African-Americans to travel because black travelers couldn’t eat, sleep, or buy gas at most white-owned businesses. The Green Book listed hotels, restaurants, gas stations, and other businesses that were safe for black travelers. It was a resourceful

and innovative solution to a horrific problem. It took courage to be listed in the Green Book, and Overground Railroad celebrates the stories of those who put their names in the book and stood up against segregation. It shows the history of the Green Book, how we arrived at our present historical moment, and how far we still have to go when it comes to race relations in America. *The Hate U Give* Simon and Schuster Celebrate the

thirtieth anniversary of the Newbery Honor–winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America’s best-loved novels by PBS’s The Great American Read. Thirteen-year-old

Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for

himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents. *Freak the Mighty* Simon and Schuster Catholic lore, American tales, and Sicilian superstition blend

in this “clever, funny, heartbreaking, and heartwarming” novel (Publishers Weekly). Born with unruly red hair, a sharp tongue, and wine-colored marks all over her body—marks that oddly mimick a map of the world and make her subject to endless ridicule—Garnet Ferrari would hardly consider herself blessed. So when an emissary from the Vatican shows up at her door, convinced that her seeming ability to cure the skin ailments of others qualifies her

for sainthood, she's not quite convinced—or pleased. Garnet sets off on a quest to better understand who she is and where she and her unusual gifts came from. Tracing a twisted path that leads from Sicily to West Virginia, poverty to riches, romance to loss, reality to mythology, Garnet uncovers a truth far more powerful than any dermatological miracle: that the things of which we are most ashamed often become our greatest strengths. “A cleareyed,

touching fable of a girl learning the hard truths about herself and others.” —Kirkus Reviews
I'll Take You There
Houghton Mifflin Harcourt
Imagine learning to read at the age of 116! Discover the true story of Mary Walker, the nation's oldest student who did just that, in this picture book from a Caldecott Honor-winning illustrator and a rising star author. In 1848, Mary Walker was born into slavery. At age 15, she was freed, and by age 20, she was married and had her first child. By age 68, she had worked numerous jobs,

including cooking, cleaning, babysitting, and selling sandwiches to raise money for her church. At 114, she was the last remaining member of her family. And at 116, she learned to read. From Rita Lorraine Hubbard and rising star Oge More comes the inspirational story of Mary Walker, a woman whose long life spanned from the Civil War to the Civil Rights Movement, and who—with perseverance and dedication—proved that you're never too old to learn.
Things Fall Apart
Penguin
The football star made famous in

the hit film (and book) *The Blind Side* reflects on how far he has come from the circumstances of his youth. Michael Oher shares his personal account of his story, in this inspirational New York Times bestseller. Looking back on how he went from being a homeless child in Memphis to playing in the NFL, Michael talks about the goals he had to break out of the cycle of poverty, addiction, and hopelessness that trapped his family. Eventually he grasped onto

football as his ticket out and worked hard to make his dream into a reality. With his adoptive family, the Touhys, and other influential people in mind, he describes the absolute necessity of seeking out positive role models and good friends who share the same values to achieve one's dreams. Sharing untold stories of heartache, determination, courage, and love, *I Beat the Odds* is an incredibly rousing tale of one young man's quest to achieve the

American dream. **Tales of a Southern Evangelical in New York** Grand Central Publishing Through journal entries, sixteen-year-old Miranda describes her family's struggle to survive after a meteor hits the moon, causing worldwide tsunamis, earthquakes, and volcanic eruptions. *Into the Wild* A&C Black From the son of acclaimed author James Agee, a haunting novel depicting an American boy's childhood in Mexico, ensconced in a world comprised of communist European exiles, local union activists, street children, and avant-garde artists like Frida Kahlo. Joel

Agee's hallucinatory first novel begins in a house with a large garden in an unnamed Mexican town in the late 1940s, where six-and-a-half-year-old Peter reads, dreams, and plays with his friends. He is a nascent explorer, artist, philosopher, mystic, and scientist. His world is still new, not yet papered over with received knowledge. And the actual world around him is a unique one in history: a community of leftist emigrés who have found refuge in Mexico from the Nazi and fascist regimes of Europe, rubbing shoulders with Mexican labor activists and leftists such as Frida Kahlo. But the emigrés long for home — including Peter's step-father, who wants to return to

his native Germany. Going back to Europe may not be safe for any of them yet, however, which gives rise to anguished arguments among Peter's parents's and their tight group of friends. And slowly, Peter begins to comprehend that his world may be turned upside down — that he might be forced to take leave of everyone he knows: his best friend, Arón; his father's friend Sándor, who talks about revolution and performs magic tricks; and Zita, the family's live-in-maid, who has taught him the consoling mysteries of prayer . . . Steeped in the magic and myths of childhood — yet haunted by a harsh adult world bedeviled by instability and political turmoil —

Joel Agee's *The Stone World* is an unforgettable portrait of a family that will inevitably invite comparison with another classic family story, that of his father James Agee's *A Death in the Family*.
