There is a growing awareness of the complex networks that pervade modern society. We see them in the rapid growth of the Internet, the ease of global communication, the swift spread of news and information, and in the way epidemics and financial crises develop with startling speed and intensity. This introductory book on the new science of networks takes an interdisciplinary approach, using economics, sociology, computing, information science and applied mathematics to address fundamental questions about the links that connect

us, and the ways that our decisions can have consequences for others.

The Historians' History of the World Houghton Mifflin Harcourt

The little-known story of a fierce rebellion against the Romans: " A very good read for anyone interested in ancient military history and historiography. " —The NYMAS Review

In the year AD 9, three Roman legions were crushed by the German warlord Arminius in the Battle of the Teutoburg Forest. This event is well known, but there was another uprising that Rome faced shortly before, which lasted from

---

AD 6 to 9, and was just as intense. This rebellion occurred in the western Balkans—an area roughly corresponding to modern Croatia, Bosnia and Herzegovina, Slovenia, Montenegro, and parts of Serbia and Albania—and it tested the Roman Empire to its limits. For three years, fifteen legions fought in the narrow valleys and forest-covered crags of the Dinaric Mountains in a ruthless war of attrition against an equally ruthless and determined foe, and yet this conflict is largely unknown today. The Great Illyrian Revolt is

believed to be the first book ever devoted to this forgotten war of the Roman Empire. Within its pages, we examine the history and culture of the mysterious Illyrian people, the story of how Rome became involved in this volatile region, and what the Roman army had to face during those harrowing three years in the Balkans. *A True Story of Japanese American Experience During and After the World War II Internment* McGraw-Hill Percy Jackson is a good kid, but he can't seem to focus on his schoolwork or control his

temper. And lately, being away at boarding school is only getting worse—Percy could have sworn his pre-algebra teacher turned into a monster and tried to kill him. For the AP Course Macmillan Bede's most famous work, this edition includes a translation of "The Greater Chronicle", in which Bede examines the Roman Empire and contemporary Europe. His "Letter to Egbert" gives his final reflections on the English Church just before his

death.  
A Gathering of Old Men Prabhat Prakashan Celebrate the thirtieth anniversary of the Newbery Honor – winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Hatchet has also been nominated as one of America ' s best-loved novels by

PBS ' s The Great American Read. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother ' s infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt

and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

A highly respected, balanced, and thoroughly modern approach to US History, LIBERTY, EQUALITY, POWER, uses these three themes to show how the United States was transformed from hunter-gatherer and agricultural Native American societies into the most powerful industrial nation on earth.

This approach helps students understand the impact of the notions of liberty and equality, which are often associated with the American story, and also how dominant and subordinate groups have affected and been affected by the ever-shifting balance of power. The text integrates the best of recent social and cultural scholarship -- including fun material on music and movies -- into a political story, offering students the most comprehensive and complete understanding of American history available. Available in the following split options: LIBERTY, EQUALITY,

POWER, Sixth Edition (Chapters 1-32), ISBN: 978-0-495-90499-1; Volume 1: To 1877 (Chapters 1-17), ISBN: 978-0-495-91587-4; Volume 2: Since 1863 (Chapters 17-32), ISBN: 978-0-495-91588-1. Through the Lens, a Grade 11 U.S. History Survey program covering Beginnings to the Present. Farewell to Manzanar Elsevier Inc. Chapters Named one of the world 's great blues-rock guitarists by Rolling Stone, Mike Bloomfield (1943 – 1981) remains beloved by fans nearly forty years after his untimely death. Taking readers backstage, onstage, and into the recording studio with this legendary virtuoso, David Dann tells the

riveting stories behind Bloomfield 's work in the seminal Paul Butterfield Blues Band and the mesmerizing Electric Flag, as well as the Super Session album with Al Kooper and Stephen Stills, Bob Dylan 's Highway 61 Revisited, and soundtrack work with Peter Fonda and Jack Nicholson. In vivid chapters drawn from meticulous research, including more than seventy interviews with the musician 's friends, relatives, and band members, music

historian David Dann brings to life Bloomfield 's worlds, from his comfortable upbringing in a Jewish family on Chicago 's North Shore to the gritty taverns and raucous nightclubs where this self-taught guitarist helped transform the sound of contemporary blues and rock music. With scenes that are as electrifying as Bloomfield 's music, this is the story of a life lived at full volume. Hatchet Laurel Leaf Candide is the picaresque tale of

---

the titular character's fantastical journey from an insular, idealized life in a picturesque castle through the difficulties and evils of the real world. Satirical, comical, witty, and cutting, *Candide* was widely banned in its day for containing blasphemous and seditious concepts. Despite that, it survived controversy to become an important book in the Western literary heritage. Today *Candide* remains a breezy and darkly funny read. This book is

part of the Standard Ebooks project, which produces free public domain ebooks. [Guitar King](#) New York : Franklin Watts  
*Their Eyes Were Watching God* is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.  
*Model Rules of Professional Conduct* Simon and Schuster  
Written by one of the founders of modern political philosophy, Thomas Hobbes, during the English

civil war, *Leviathan* is an influential work of nonfiction. Regarded as one of the earliest examples of the social contract theory, *Leviathan* has both historical and philosophical importance. Social contract theory prioritizes the state over the individual, claiming that individuals have consented to the surrender of some of their freedoms by participating in society. These surrendered freedoms help ensure that the government can be run easily. In exchange for their

---

sacrifice, the individual is protected and given a place in a steady social order. Articulating this theory, Hobbes argues for a strong, undivided government ruled by an absolute sovereign. To support his argument, Hobbes includes topics of religion, human nature and taxation. Separated into four sections, Hobbes claims his theory to be the resolution of the civil war that raged on as he wrote, creating chaos and taking causalities. The first section,

Of Man discusses the role human nature and instinct plays in the formation of government. The second section, Of Commonwealth explains the definition, implications, types, and rules of succession in a commonwealth government. Of a Christian Commonwealth imagines the religion 's role government and societal moral standards. Finally, Hobbes closes his argument with Of the Kingdom of Darkness. Through the use of philosophical

theory and historical study, Thomas Hobbes attempts to convince citizens to consider the cost and reward of being governed. Without an understanding of the sociopolitical theories that keep government bodies in power, subjects can easily become complicit or allow society to slip into anarchy. Created during a brutal civil war, Hobbes hoped to educate and persuade his peers. Though Leviathan was a work of controversy in its time, Hobbes ' theories and prose

---

has survived centuries, shaping the ideas of modern philosophy. This edition of Leviathan by Thomas Hobbes is now presented with a stunning new cover design and is printed in an easy-to-read font. With these accommodations, Leviathan is accessible and applicable to contemporary readers.

Michael Bloomfield's *Life in the Blues* Archaeopress Publishing Ltd "Arise Ye Wretched of the Earth" provides a fresh

account of the International Working Men's Association. Founded in London in 1864, the First International gathered trade unions, associations, co-operatives, and individual workers across Europe and the Americas. The IWMA struggled for the emancipation of labour. It organised solidarity with strikers. It took sides in major events, such as the 1871 Paris Commune. It soon appeared as a threat to European powers, which vilified and prosecuted it. Although it split up in 1872, the IWMA played a ground-breaking part in the

history of working-class internationalism. In our age of globalised capitalism, large labour migration, and rising nationalisms, much can be learnt from the history of the first international labour organisation. Learn to use the new Flash Catalyst to create rich Internet applications Adobe Flash Catalyst enables you to take designs from Photoshop and Illustrator and convert them into rich Flash-based applications—without writing or even understanding one line of code. It may sound too good to be true, but this helpful reference shows you

how to leverage the Flash skills you already have in order to convert your ideas into functioning applications. You'll explore everything from the basics of the Flex framework to using Flash Builder to complete conversion of an application. Shows you how to use the eagerly anticipated Flash Catalyst to convert assets from Illustrator and Photoshop directly into Flex components without ever needing to write code Reviews the basics of the Flex framework and rich Internet applications Demonstrates how to import comps and assets into Flash Builder in order to create an application Convert your ideas from design into functioning

applications—and avoid writing complex code—with this authoritative resource. America's History Houghton Mifflin Harcourt For fans of Hatchet and Island of the Blue Dolphins comes Theodore Taylor's classic bestseller and Lewis Carroll Shelf Award winner, *The Cay*. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to him, and he's eager to glimpse it firsthand – until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old

West Indian, Timothy would say, Phillip remembers his 'outrageous mother's warning about black people: "They are different, and they live differently." But by the time the castaways arrive on a small island, Phillip's head injury has made him blind and dependent on Timothy. "Mr. Taylor has provided an exciting story... The idea that all humanity would benefit from this special form of color blindness permeates the whole book... The result is a story with a high ethical purpose but no sermon." —New York Times Book Review "A taut tightly compressed story of endurance and revelation... At once barbed and tender, tense and fragile—as Timothy

good.' " —Kirkus Reviews \* "Fully realized setting...artful, unobtrusive use of dialect...the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children's literature." —School Library Journal, Starred "Starkly dramatic, believable and compelling." —Saturday Review "A tense and moving experience in reading." —Publishers Weekly "Eloquently underscores the intrinsic brotherhood of man." —Booklist "This is one of the best survival stories since Robinson Crusoe."—The Washington Star - A New York Times Best

root in South Africa, where the seeds of apartheid were newly sown. There a boy called Peekay was born. He spoke the wrong language – English. He was nursed by a woman of the wrong color – black. His childhood was marked by humiliation and abandonment. Yet he vowed to survive – he would become welterweight champion of the world, he would dream heroic dreams. But his dreams were nothing compared to what awaited him. For he embarked on an epic journey, where he would learn the power of words, the power to transform lives, and the mystical power that would sustain him even when it appeared that villainy

would rule the world: *The Power of One*. *The First International* in a *Global Perspective* Wiley-Blackwell *Fallen Angels* by Walter Dean Myers is a young adult novel about seventeen-year-old Richie Perry, a Harlem teenager who volunteers for the Army when unable to afford college and is sent to fight in the Vietnam War. Perry and his platoon—Peewee, Lobel, Johnson, and Brunner—come face-to-face with the harsh realities of war, and some

dark truths about themselves. A thoughtful young man with a gift for writing and love of basketball, Perry learns to navigate among fellow soldiers under tremendous stress and struggles with his own fear as he sees things he 'll never forget: the filling of body bags, the deaths of civilians and soldier friends, the effects of claymore mines, the fires of Napalm, and jungle diseases like Nam Rot. Available as an e-book for the first time on the 25th anniversary of its publication, *Fallen*

---

Angels has been called one of the best Vietnam War books ever and one of the great coming-of-age Vietnam War stories. Filled with unforgettable characters, not least Peewee Gates of Chicago who copes with war by relying on wisecracks and dark humor, Fallen Angels “reaches deep into the minds of soldiers” and makes “readers feel they are there, deep in the heart of war.” Fallen Angels has won numerous awards and honors, including the Coretta Scott King Award, an ALA Best Book for Young Adults, a Booklist Editors Choice, and a School Library Journal Best Book. Fallen Angels was #16 on the American Library Association’s list of the most frequently challenged books of 1990 – 2000 for its realistic depiction of war and those who fight in wars.
