Are you tired of sitting on the sidelines when it comes to living out your faith? Ready to get in the game and be all God is calling you to be? Before you can get off the bench and into the game, you must first Get Out Of That Bed! At 14 years old Shep was writing a suicide note, but God tore it up and wrote a survival story. After

nearly two decades of taking light and love to the world through speaking events and chaplaincy, Shep is changing the game again with this collection of inspirational, challenging, and hope-filled reflections. Built on his trademark "keep it real" communication style and unique way of reaching the heart of diverse audiences, Get Out Of That Bed takes us through the book of

John in a way that can radically transform how we approach every day of our lives. These 55 devotions will help you establish the healthy habit of getting up daily and spending time in God's word, while being motivated to apply what you have read in a bold way. Whether you are just beginning your journey of following Christ, or you feel it's time to push the refresh button on your spiritual commitment, this is

Hatchet Little, Brown Books for Young Readers  
A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature

---

with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to

make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

The Critical Citizen's Guide to Argumentative Rhetoric American Bar Association You 've broken the law, been sentenced, and now find yourself in jail. You could be in for a hard life. But all is not lost. In Deen-ul-Sujanaa ' , author Shaykh Ali Jai Al-Zakar, a prison chaplain,

offers a straightforward Islamic guidebook to help you move away from your past life of wrongdoing and instead submit yourself to Allah and change your life for good. Especially focusing on people struggling with incarceration and addictive behaviors, Ali Jai relies on the wisdom of the Qur ' an to promote individual recovery and to help free you from your own self-made prisons through nineteen steps. Deen-ul-Sujanaa ' gives a crash course for any detainee, inmate, or prisoner who is seeking solace

---

and resolve, peace, and comfort while awaiting trial, or while serving time. It communicates that the steps to true freedom are not dependent upon probation or parole for the serving of time, but they are realized in complete submission and unification with God.

Its People and Places New Leaf Publishing Group

This workbook accompanies Mark L. Strauss' s Four Portraits, One Jesus. Following the textbook' s structure, it offers readings from the Gospels, activities, and exercises

designed to support the students' learning experience and enhance their comprehension of what can be known from the Gospels about the central defining subject of Christianity, Jesus of Nazareth. Four Portraits, One Jesus is a thorough yet accessible introduction to the four biblical Gospels and their subject, the life and person of Jesus. Like different artists rendering the same subject using different styles and points of view, the Gospels paint four highly distinctive portraits of the same remarkable Jesus. With clarity and insight, Mark Strauss

illuminates these four books, first addressing their nature, origin, methods for study, and historical, religious, and cultural backgrounds. He then moves on to closer study of each narrative and its contribution to our understanding of Jesus, investigating things such as plot, characters, and theme. Finally, he pulls it all together with a detailed examination of what the Gospels teach about Jesus' ministry, message, death, and resurrection, with excursions into the quest for the historical Jesus and the historical reliability of the Gospels.

How to Read Literature Like a

---

Professor Revised Simon and Schuster 'Lazere's [book] is heaven-sent and will provide a crucial link in the chain of understanding how conflicts are structured and, most importantly, how they can be rationally addressed - a healthy antidote to the scepticism that has become so pervasive in academic life.' Alan Hausman, Hunter College This innovative book addresses the need for college students to develop critical reading, writing, and thinking skills for self-defence in the contentious arena of American civic rhetoric. In a groundbreaking reconception of composition theory, it presents a comprehensive critical perspective on American public discourse and

practical methods for its analysis. Exercises following the text sections and readings help students understand the ideological positions and rhetorical patterns that underlie opposing viewpoints in current controversies - such as the growing inequality of wealth in America and its impact on the finances of college students - as expressed in paired sets of readings from the political left and right. Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media, as well as in education itself, are foregrounded as topics for rhetorical analysis. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the

shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to? Krakauer 's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of

---

high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that

---

propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are

illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. Reading and Writing for Civic Literacy Skyhorse Publishing Inc. It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving

girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight--the fight to stay alive.
