WAR IS PEACE FREEDOM IS SLAVERY IGNORANCE IS STRENGTH Winston Smith is a good worker. He supports the Party. He is good at his job rewriting history to Government specification. Big Brother watches him, but there is nothing to see.

Winston's struggle against the totalitarian world he inhabits is a closely guarded secret. It exists only in his mind until he begins a secret love affair with Julia, a fellow worker. Is this enough to push him to revolution? Or is it the beginning of his downfall? A masterwork of dystopian fiction, Nineteen Eighty-Four is harrowingly prescient, and its impact has stretched around the globe. With a new introduction by political editor and writer Ian Dunt, this brand new edition of a science fiction classic is a must-have for any collector.

Successful movie producer Wolf Willett is stunned when he sees his own death reported in a major newspaper. It says he was a victim in a triple homicide during a sordid tryst with his wife and a friend. But who is the unidentified corpse? Why can't Wolf remember anything about the night in question? And who wants him dead? Wolf had the means and motive—and his inexplicable memory loss seems far too suspicious to suit Sante Fe's crusading D.A., who promptly has Wolf arrested. And when another murder complicates the scenario, he turns to hot-shot criminal attorney Ed Eagle to help clear his name—and stop a killer who's determined to finish the job.

Personal study between sessions Leader's Guide In the summer of 1969, Buzz Aldrin had a mission. His goal was to fly 240 million miles from earth and, along with fellow astronaut Neil Armstrong, be the first to walk on the moon. But moments before that historic step, Aldrin poured a specially prepared drink into a cup and partook of a sacred celebration that had first occurred two thousand years before. The lunar Last Supper was full of meaning, just as it had been when Jesus himself took of the elements and acknowledged his calling and purpose. But the significance didn't end there. Today, as we remember the sacrifice of Christ on the cross, followed by his resurrection, we are reminded that what seemed to be an end became the genesis of everything—including the rescue and restoration of anyone who calls on Jesus' name. In this five-session study, bestselling author and pastor Levi Lusko journeys back in time and forward in hope, using the 1969 lunar mission as an analogy of the metamorphosis that was unleashed by the man from Galilee. Along the way, he uncovers the remarkable "seven statements" that Jesus made from the cross—words that provide us everything we need in the chaos of our world to conquer judgment, persecution, anxiety, and pain. Designed for use with The Last Supper on the Moon Video Study (sold separately).

The New York Times bestselling work of undercover reportage from our sharpest and most original social critic, with a new foreword by Matthew Desmond, author of Evicted Millions of Americans work full time, year round, for poverty-level wages. In 1998, Barbara Ehrenreich decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour? To find out, Ehrenreich left her home, took the cheapest lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer parks

and crumbling residential motels. Very quickly, she discovered that no job is truly "unskilled," that even the lowliest occupations require exhausting mental and muscular effort. She also learned that one job is not enough; you need at least two if you int to live indoors. Nickel and Dimed reveals low-rent America in all its tenacity, anxiety, and surprising generosity—a land of Big Boxes, fast food, and a thousand desperate stratagems for survival. Read it for the smoldering clarity of Ehrenreich's perspective and for a rare view of how "prosperity" looks from the bottom. And now, in a new foreword, Matthew Desmond, author of *Evicted: Poverty and Profit in the American City*, explains why, twenty years on in America, Nickel and Dimed is more relevant than ever.
