The Secret Power of Masonic Symbols Fair Winds Press (MA)

For more than 500 years, the Symbolology of Freemasonry has fostered a secret stream of radical ideas running just beneath the surface of popular culture today. These ideas, illuminated by public symbols hidden in full view, have influenced and shaped the society we have today. Despite this ongoing record of inspiration, no illustrated guide book to the basic ideas of Masonic Symbolology has even been published and the story remains mysterious—until now. This book will how this symbolology has been the backdrop to key historical events in the history of humanity from ancient times and how, in more recent times, inspired leaders have harnessed the symbols' power to bring about change in society. It will also provide an illustrated guide to the basic symbols of Freemasonry from the Kirkwall Scroll, via the basic symbols, to the six Tracing Boards, and so pass on the basic teaching about Symbolology, which has been created by Freemasonry.
