This book takes an extensive look at the many different types of users and cultures that comprise the popular social media platform Tumblr. Though it does not receive nearly as much attention as other social media such as Twitter or Facebook, Tumblr and its users have been hugely influential in creating and shifting popular culture, especially progressive youth culture, with the New York Times referring to 2014 as the dawning of the "age of Tumblr activism." Perfect for those unfamiliar with the platform as well as those who grew up on it, this volume contains essays and artwork that span many different topics: fandom; platform structure and design; race, gender and sexuality, including queer and trans identities; aesthetics; disability and mental health; and social media privacy and ethics. An entire generation of young people that is now beginning to influence mass culture and politics came of age on Tumblr, and this volume is an indispensable guide to the many ways this platform works.

One of Maimonides' classic works, the Treatise on Resurrection is an extended discussion of resurrection, the immortality of the soul, the mysteries of the Messianic Age, and the World to Come. The Treatise on Resurrection was controversial in its day for its departure from accepted Jewish theology. Despite opposition to his ideas, Maimonides defended his view with skill and confidence. Fred Rosner's notes provide the background necessary to fully understand Maimonides' position, and his translation is an articulate rendering of this influential text, which validates resurrection as one of the cardinal principles of Judaism.

*The Comprehensive Guide to Parkinson's Disease* John Wiley & Sons  
Legends say that long ago a mystical order of men and women walked the earth. They were known as the Seers. Stories claim that they saw the invisible, knew the unknowable, and performed impossible feats of power. They wandered the earth as champions for the oppressed and heralds of days to come. Seers were cloaked in mystery and suspicion, but when they spoke, the wise listened. Elijah is a Seer, widely considered to be the greatest of their order. He is called to confront the powerful King Ahab with five simple words, "There will be no rain." The Seer narrates the dangerous, exciting and God-given journey of the prophet Elijah in an entertaining and engaging way. This young adult adventure brings the ancient story to life and shows that when gods battle for the future of mankind, one person can change everything.
