Pharmacokinetic Properties of Functional Groups and Organic Compounds David Van Leeuwen

Small structural modifications can significantly affect the pharmacokinetic properties of drug candidates. This book, written by a medicinal chemist for medicinal chemists, is a comprehensive guide to the pharmacokinetic impact of functional groups, the pharmacokinetic optimization of drug leads, and an exhaustive collection of pharmacokinetic data, arranged according to the structure of the drug, not its target or indication. The historical origins of most drug classes and general aspects of modern drug discovery and development are also discussed. The index contains all the drug names and synonyms to facilitate the location of any drug or functional group in the book. This compact working guide provides a wealth of information on the ways small structural modifications affect the pharmacokinetic properties of organic compounds, and offers plentiful, fact-based inspiration for the development of new drugs. This book is mainly aimed at medicinal chemists, but may also be of interest to graduate students in chemical or pharmaceutical sciences, preparing themselves for a job in the pharmaceutical industry, and to healthcare professionals in need of pharmacokinetic data.

A Practical Guide for Employees John Wiley & Sons

Covers the latest methodologies and research on international comparative surveys with contributions from noted experts in the field **Advances in Comparative Survey Methodology** examines the most recent advances in methodology and operations as well as the technical developments in international survey research. This important resource: Contains contributions from key experts in their respective fields of study from around the globe Highlights innovative approaches in resource poor settings, and innovative approaches to combining survey and other data Includes material that is organized within the total survey error framework Presents extensive and up-to-date references throughout the book Written for students and academic survey researchers and market researchers engaged in comparative projects, this text represents a unique collaboration that features the latest methodologies and research on global comparative surveys.

Ernst & Young Tax Guide 2013 John Wiley & Sons

A marketing expert explains why some small companies grow into bigger and better organizations and others falter and asserts that companies can best expand their brand by using creative and sometimes counter-intuitive strategies to generate growth. 20,000 first printing.

The Transhumanist Reader CCH Australia Limited

Using a streamlined, highly illustrated format, **Review of Plastic Surgery, 2nd Edition**, provides essential information on more than 40 topics found on in-service, board, and MOC exams, as well as the challenges you face in everyday practice. Bulleted text, detailed illustrations, and easy-to-digest lists help you quickly find and retain information, while self-assessment sections prepare you for exams and help you identify areas needing further study. It's an ideal resource for residents and fellows, as well

as medical students, attending physicians, and others interested in plastic surgery. Covers the material you need to know for certification and recertification, from basic science to clinical knowledge in plastic surgery, including subspecialty topics. Uses a high-yield, easy-to-navigate format, making it perfect for exam study as well as a quick review before rounds. Allows you to test your mastery of the material with board-style self-assessment questions and answers, now fully updated for the second edition. Presents the full range of plastic surgery topics in unique, bulleted lists for efficient, effective study. Helps you visualize key content with online videos and superb, full-color illustrations throughout. Enhanced eBook version included with purchase. Your enhanced eBook allows you to access all of the text, figures, and references from the book on a variety of devices.

Lilley's Pharmacology for Canadian Health Care Practice - E-Book Academic Press

There is increasing pressure for all of us to take responsibility for our own financial security and wellbeing, but we often overlook how the benefits that come with a job can help us do that. **Essential Personal Finance: A Practical Guide for Employees** focuses on these valuable work benefits and shows how you can build on this important foundation to achieve financial security and your life goals. This unique book explores how making effective and practical use of these work benefits (such as pension scheme, life cover, sick pay, cheap loans, savings schemes and even financial coaching), means facing up to the behavioural biases we are all plagued with. Given that these can get in the way of even the best intentions, **Essential Personal Finance** tackles these biases head-on with practical ideas and tips for overcoming or harnessing them for good, and will help you to develop a positive and fruitful relationship with your money. With financial stress being a major cause of absenteeism and sick leave, low morale and lost productivity, the advice in this book also offers employers enormous benefits. By empowering employees through financial education and financial awareness, progressive employers will help them feel more in control of their lives, and experience less stress, resulting in higher morale and productivity. Offering a distinctive approach which combines academic insight with practical financial wisdom and tools, this is a must-have book for all employees. It will help you make the most of everything your job has to offer so you can worry less about money and live life to the full.

Advances in Comparative Survey Methods Cengage Learning

The latest novel from New York Times best-selling author Jennifer McMahon is an atmospheric, gripping, and suspenseful tale that probes the bond between sisters and the peril of keeping secrets. Once the thriving attraction of rural Vermont, the Tower Motel now stands in disrepair, alive only in the memories of Amy, Piper, and Piper's kid sister, Margot. The three played there as girls until the day that their games uncovered something dark and twisted in the motel's past, something that ruined their friendship forever. Now adult, Piper and Margot have tried to forget what they found that fateful summer, but their lives are upended when Piper receives a panicked midnight call from Margot, with news of a horrific crime for which Amy stands accused. Suddenly, Margot and Piper are forced to relive the time that they found the suitcase that once belonged to Silvie Slater, the aunt that Amy claimed had run away to Hollywood to live out her dream of becoming Hitchcock's next blonde bombshell leading lady. As Margot and Piper investigate, a cleverly woven plot unfolds—revealing the story of Sylvie and Rose, two other sisters who lived at the motel during its 1950s heyday. Each believed the other to be something truly monstrous, but only one carries the secret that would haunt the generations to come.

The Comprehensive Tutorial Resource ABC-CLIO

Kenya is one of the most politically dynamic and influential countries in sub-Saharan Africa. Today, it is known in equal measure as a country that has experienced great highs and tragic lows. In the 1960s and 1970s, Kenya was seen as a "success story" of development in the periphery, and also led the way in terms of democratic breakthroughs in 2010 when a new constitution devolved power and placed new constraints on the president. However, the country has also made international headlines for the kind of political instability that occurs when electoral violence is expressed along ethnic lines, such as during the "Kenya crisis" of 2007/08 when over 1,000 people lost their lives and almost 700,000 were displaced. The Oxford Handbook of Kenyan Politics explains these developments and many more, drawing together 50 specially commissioned chapters by leading researchers. The chapters they have contributed address a range of essential topics including the legacy of colonial rule, ethnicity, land politics, devolution, the constitution, elections, democracy, foreign aid, the informal economy, civil society, human rights, the International Criminal Court, the growing influence of China, economic policy, electoral violence, and the impact of mobile phone technology. In addition to covering some of the most important debates about Kenyan politics, the volume provides an insightful overview of Kenyan history from 1930 to the present day and features a set of chapters that review the impact of devolution on regional politics in every part of the country.

[Key Concepts in Social Work Practice](#) Image

The first authoritative and comprehensive survey of the origins and current state of transhumanist thinking The rapid pace of emerging technologies is playing an increasingly important role in overcoming fundamental human limitations. Featuring core writings by seminal thinkers in the speculative possibilities of the posthuman condition, essays address key philosophical arguments for and against human enhancement, explore the inevitability of life extension, and consider possible solutions to the growing issues of social and ethical implications and concerns. Edited by the internationally acclaimed founders of the philosophy and social movement of transhumanism, The Transhumanist Reader is an indispensable guide to our current state of knowledge of the quest to expand the frontiers of human nature.

Essential Personal Finance John Wiley & Sons

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Forcing the Spring Penguin

A radical architect examines the changing fortunes of the contemporary city Michael Sorkin is one of the most forthright and engaging architectural writers in the world. In *What Goes Up* he takes to task the public officials, developers, "civic" organizations, and other heroes of big money, who have made of Sorkin's beloved New York a city of glittering towers and increasing inequality. He unpacks not simply the forms and practices—from zoning and political deals to the finer points of architectural design—that shape cities today but also offers spirited advocacy for another kind of city, reimagined from the street up on a human scale, a home to sustainable, just, and fulfilling neighborhoods and public spaces. Informing his writing is a lifetime's experience as an architect and urbanist. Sorkin writes of the joys and techniques of observing and inhabiting cities and buildings in order to both better understand and to more happily be in them. Sorkin has never been shy about naming names. He has been a scourge of design mediocrity and of the supine compliance of "architects," who readily accede to the demands of greed and privilege. *What Goes Up* casts the net wide, as he directs his arguments to students, professionals, and urban citizens with vigor, expertise, respect, and barbed wit.

Inside the Fight for Marriage Equality Anchor

The book explores the main characteristics of contemporary theory in international law. It examines in an analytical fashion 32 schools, movements, and trends as well as the works of more than 500 authors on substantive issues of international law.

A History of Cyber Security Attacks CCH Australia Limited

A New York Times Notable Book of the Year *A Washington Post Best Book of the Year (Nonfiction)* *A Kirkus Best Book of the Year* "Jo Becker has written a riveting history of one of America's great court cases. She captures our struggle for freedom and its epic sweep just perfectly. Future generations will turn to her book to understand Proposition 8 from its inception its journey to the Supreme Court, along with special insights into the remarkable DOMA victory led by the legendary Edie Windsor." --David Mixner, LGBT Activist and Author of *Stranger Among Friends and Brave Journeys: Profiles in Gay and Lesbian Courage* "[A] riveting legal drama, a snapshot in time, when the gay rights movement altered course and public opinion shifted with the speed of a bullet train... Becker's most remarkable accomplishment is to weave a spellbinder of a tale that, despite a finale reported around the world, manages to keep readers gripped until the very end." --The Washington Post A groundbreaking work of reportage by Pulitzer Prize-winning journalist Jo Becker, *Forcing the Spring* is the definitive account of five remarkable years in American civil rights history, when the United States experienced a tectonic shift on the issue of marriage equality. Focusing on the historic legal challenge of California's ban on same-sex marriage, Becker offers a gripping, behind-the-scenes narrative told with the lightning pace of a great legal thriller. Taking the reader from the Oval Office to the Supreme Court ruling, from state-by-state campaigns to an astounding shift in national public opinion, *Forcing the Spring* is political and legal journalism at its finest.
