I hope specially TBSE & CBSE students are benefited to follow this book for their upcoming H.S(+2) Board examination. I design this book for all type of students and include different type of questions which is very important for their upcoming board exam.

Disha Publications

This book illustrates the basic ideas of regularity properties of functional equations by simple examples. It then treats most of the modern results about regularity of non-composite functional equations of several variables in a

unified fashion. A long introduction highlights the basic ideas for beginners and several applications are also included.
