A Guide to State Succession in International Investment Law provides a comprehensive analysis of State succession issues arising in the

context of international investment law. The author examines whether a successor State is bound by the investment treaties and State contracts which the predecessor State had signed with other States and foreign investors before the date of succession. Actors who are called upon to apply rules of State succession in investment arbitration cases will find this book a valuable source of practical guidance with strong theoretical foundations.

Study Guide for Essentials of Economics is a valuable support tool for the student using Essentials of Economics. It provides several important features that contribute to a good course which cannot be included in the standard textbook, and if used correctly it will improve understanding of, and ability to apply, economic principles to everyday decision-making. The book contains self-test questions, problems and projects, and perspectives in economics. Topics covered in the text include economic approaches, tools of the economist, supply, demand, and the market process, and money and the banking system. An answer key is provided at the end of the book. This text is intended for students of economics.

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.
