The writer of the Book of Hebrews takes everything the Jew of his day held dear and compares it to Christ. Needless to say, it is all found shamefully wanting. The thing that was perhaps the dearest to these Hebrews was the Old Testament priesthood, which included the Temple, its sacrifices, and the priests in all their glory. The writer of Hebrews shows Christ to be a better Priest, His sacrifice to be supreme, and the place where He renders His services to be the greatest. He shows the Priesthood ministry of Jesus to be flawless and a perfect alternative to a worn-out system that could never meet the needs of mankind. You will find The Perfect Priest refreshing and enlightening as well as inspiring.

Quiz Kids was a network radio program that aired from 1940 to 1953 featuring smart children answering difficult questions submitted by listeners. Part of radio history during its "golden age," Quiz Kids thrived during a period of dramatic change in America. Audiences marveled at the speed with which the Kids answered the most difficult questions, vaulting the show beyond the producers' wildest expectations. Eleanor Roosevelt invited the Kids to the White House to meet with them. Their appearance at the Senate is discussed in the Congressional Record. During World War II, they toured America and raised \$120 million in war bonds. They were guests on Jack Benny's radio show for three consecutive weeks. Walt Disney, Bob Hope, Fred Allen, the Lone Ranger, Gene Autry and other famous people were on their program. This thorough history describes the creation of the program, its national popularity and the children who made it such good listening.
