The only companion to *The Great Gatsby* to provide a rich collection of primary documents that illuminates its historical, social and cultural context. *The Rising Tide of Color Against White World-supremacy* BoD - Books on Demand
In 1922, F. Scott Fitzgerald announced his decision to write "something new--something extraordinary and beautiful and simple + intricately patterned." That extraordinary, beautiful, intricately patterned, and above all, simple novel became *The Great Gatsby*, arguably Fitzgerald's finest work and certainly the book for which he is best known. A portrait of the Jazz Age in all of its decadence and

excess, *Gatsby* captured the spirit of the author's generation and earned itself a permanent place in American mythology. Self-made, self-invented millionaire Jay Gatsby embodies some of Fitzgerald's--and his country's--most abiding obsessions: money, ambition, greed, and the promise of new beginnings. "Gatsby believed in the green light, the orgiastic future that year by year recedes before us. It eluded us then, but that's no matter--tomorrow we will run faster, stretch out our arms farther.... And one fine morning--" Gatsby's rise to glory and eventual fall from grace becomes a kind of cautionary tale about the American Dream. It's also a love story, of sorts, the narrative of Gatsby's quixotic passion for Daisy Buchanan. The pair meet five years

before the novel begins, when Daisy is a legendary young Louisville beauty and Gatsby an impoverished officer. They fall in love, but while Gatsby serves overseas, Daisy marries the brutal, bullying, but extremely rich Tom Buchanan. After the war, Gatsby devotes himself blindly to the pursuit of wealth by whatever means--and to the pursuit of Daisy, which amounts to the same thing. "Her voice is full of money," Gatsby says admiringly, in one of the novel's more famous descriptions. His millions made, Gatsby buys a mansion across Long Island Sound from Daisy's patrician East Egg address, throws lavish parties, and waits for her to appear. When she does, events unfold with all the tragic inevitability of a Greek drama, with detached, cynical neighbor Nick Carraway acting as chorus throughout. Spare, elegantly plotted, and written in crystalline prose, *The Great Gatsby* is as perfectly satisfying as the best kind of poem. *The Cambridge Companion to F. Scott Fitzgerald* PURE SNOW PUBLISHING

A collection of "commercial short stories F. Scott Fitzgerald published before he began to work on what would become his great American novel, *The Great Gatsby*."--Back cover.

The Great Gatsby Close Reading and Text-Dependent Questions Teacher Created Materials Publisher Description (unedited publisher data) Eleven specially-commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F. Scott Fitzgerald as a writer and as a public and private figure. No aspect of his career is overlooked, from his first novel published in 1920, through his more than 170 short stories, to his last unfinished Hollywood novel. Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century. The introduction traces Fitzgerald's career as a literary and public figure, and examines the extent to which public recognition has affected his reputation among scholars, critics, and general readers over the past sixty

years. This is the only volume that offers undergraduates, graduates and general readers a full account of Fitzgerald's work as well as suggestions for further exploration of his work. Library of Congress subject headings for this publication: Fitzgerald, F, Scott (Francis Scott), 1896-1940 Criticism and interpretation Handbooks, manuals, etc.

The Great Gatsby Vocabulary Activities Om Books International

"I believe that on the first night I went to Gatsby's house I was one of the few guests who had actually been invited. People were not invited—they went there. They got into automobiles which bore them out to Long Island and somehow they ended up at Gatsby's door. Once there they were introduced by somebody who knew Gatsby and after that they conducted themselves according to the rules of behavior associated

with amusement parks. Sometimes they came and went without having met Gatsby at all, came for the party with a simplicity of heart that was its own ticket of admission. I had been actually invited." "I believe that on the first night I went to Gatsby's house I was one of the few guests who had actually been invited. People were not invited—they went there. admission. I had been actually invited." "The Great Gatsby" explores themes of decadence, idealism, resistance to change, social upheaval and excess, creating a portrait of the Roaring Twenties and the Jazz Age that has been described as a cautionary tale regarding the American Dream. This e-book is a complete edition of F. Scott Fitzgerald's famous novel. F. Scott Fitzgerald: The Great Gatsby Pearson UK The "Fresh Air" book critic investigates the enduring power of The Great Gatsby -- "The Great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know The Great Gatsby? As Maureen Corrigan, Gatsby lover extraordinaire, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully

comprehend its power. Offering a fresh perspective on what makes Gatsby great-and utterly unusual-So We Read On takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include Gatsby's surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the greatness of Gatsby and cuts to the heart of why we are, as a culture, "borne back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

questions and suggested answers.

Anita and Me Hyweb Technology Co. Ltd.

Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan. Gatsby continues to attract popular and scholarly attention. The novel was most recently adapted to film in 2013 by director Baz Luhrmann, while modern scholars emphasize the novel's treatment of social class, inherited wealth compared to those who are self-made, race, environmentalism, and its cynical attitude towards the American dream. As with other works by Fitzgerald, criticisms include allegations of antisemitism. The *Great Gatsby* is widely considered to be a literary

masterwork and a contender for the title of the Great American Novel.

The Baker's Secret Cambridge University Press

This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their

underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come. The secret agent Teacher Created Materials Use this guide to familiarize students with this well-known novel and encourage them to connect the story with actual events and issues from the 1920s by completing fun, challenging activities and lessons. Readers will enjoy analyzing this complex literary piece and revel in the life lessons they take away from it. Analyzing story elements in multiple ways, close reading and text-based vocabulary practice, and determining meaning through

text-dependent questions are just a few of the many skills students will walk away with after interacting with the rigorous and appealing cross-curricular lessons and activities in this resource. Written to support the Common Core, each activity and lesson work in conjunction with the text to teach students how to analyze and comprehend rich, complex literature.

The Great Gatsby Library of Alexandria The Common Core State Standards initiated major changes for language arts teachers, particularly the emphasis on “ informational text. ” Language arts teachers were asked to shift attention toward informational texts without taking away from the teaching of literature. Teachers, however, need to incorporate nonfiction in ways that enhance

rather than take away from their teaching of literature. The Using Informational Text series is designed to help. In this fourth volume (Volume 1: Using Informational Text to Teach To Kill a Mockingbird; Volume 2: Using Informational Text to Teach A Raisin in the Sun; Volume 3: Connecting Across Disciplines: Collaborating with Informational Text), we offer challenging and engaging readings to enhance your teaching of Gatsby. Texts from a wide range of genres (a TED Talk, federal legislation, economic policy material, newspaper articles, and 1920s political writing) and on a variety of topics (income inequality, nativism and immigration, anti-Semitism, the relationship between wealth and cheating, the Black Sox scandal and newspaper coverage, and prohibition) help

students answer essential questions about F. Scott Fitzgerald ' s novel. Each informational text is part of a student-friendly unit, with media links, reading strategies, vocabulary, discussion, and writing activities, and out-of-the-box class activities.

The Jelly-Bean (Illustrated) THE GREAT GATSBY

A memoir done in the form of a graphic novel by a cult favorite comic artist offers a darkly funny family portrait that details her relationship with her father--a funeral home director, high school English teacher, and closeted homosexual.

The Great Gatsby Rowman & Littlefield

With New Historical Introduction for the Classroom The novel that helped define an era. The Great Gatsby is considered F. Scott Fitzgerald's magnum opus, exploring themes

of decadence, idealism, social stigmas, patriarchal norms, and the deleterious effects of unencumbered wealth in capitalistic society, set against the backdrop of the Jazz Age and the Roaring Twenties. At its heart, it's a cautionary tale, a revealing look into the darker side to the American Dream. "When I came back from the East last autumn I felt that I wanted the world to be in uniform and at a sort of moral attention forever; I wanted no more riotous excursions with privileged glimpses into the human heart. Only Gatsby, the man who gives his name to this book, was exempt from my reaction-Gatsby who represented everything for which I have an unaffected scorn. If personality is an unbroken series of successful gestures, then there was something gorgeous about him, some

heightened sensitivity to the promises of life, as if he were related to one of those intricate machines that register earthquakes ten thousand miles away. This responsiveness had nothing to do with that flabby impressionability which is dignified under the name of the "creative temperament"-it was an extraordinary gift for hope, a romantic readiness such as I have never found in any other person and which it is not likely I shall ever find again. No-Gatsby turned out all right at the end; it is what preyed on Gatsby, what foul dust floated in the wake of his dreams that temporarily closed out my interest in the abortive sorrows and short-winded elations of men..."
