With a New Historical Introduction for the Classroom HarperCollins UK  
Tales of the Jazz Age (1922) is a collection of eleven short stories by F. Scott Fitzgerald. Divided into three separate parts, according to subject matter, it includes one of his better-known short stories, "The Curious Case of Benjamin Button". All of the stories had been published earlier, independently, in either Metropolitan Magazine (New York), Saturday Evening Post, Smart Set, Collier's, Chicago Sunday Tribune, or Vanity Fair.

"Crazy Sunday" is a short story by F. Scott Fitzgerald originally published in the October 1932 issue of "American Mercury".  
The Rising Tide of Color Against White World-supremacy Simon and Schuster  
Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are. Thoreau's account of his solitary and self-sufficient home in the New England woods remains an inspiration to the environmental movement - a call to his fellow men to abandon their striving, materialistic existences of 'quiet desperation' for a simple life within their means, finding spiritual truth through awareness of the sheer beauty of their surroundings.  
The Great Gatsby Egmont Books (UK)  
This book examines selected works in the American literary tradition from an evolutionary perspective. Individual essays address figures ranging from Benjamin Franklin to Billy Collins, targeting a variety of fitness-related issues--courtship, nepotism, competition, cooperation, status, and deception, for example--in the context of both physical and social environment.  
The Great Gatsby by F. Scott Fitzgerald Evolution, Cognition, and the  
Analyzes the principles of stock selection and various approaches to investing, and compares the patterns and behavior of specific securities under diverse economic conditions  
The American Gangster Film Vintage  
There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . There are many pleasant things to read about, but The Miserable Mill contains none of them. Within its pages one will find a giant pincher machine, a bad casserole, a man with a cloud of smoke where his head should be, a hypnotist, a terrible accident and coupons. With 5 million copies sold in the UK alone, one might consider Lemony Snicket ' s A Series of Unfortunate Events to make him one of the most successful children ' s authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.  
The Bostonians Penguin UK  
A tale beautifully, wisely, and masterfully told. " — Paula McLain, author of The Paris Wife and Circling the Sun From the multiple-award-winning, critically acclaimed author of The Hummingbird and The Curiosity comes a dazzling novel of World War II—a shimmering tale of courage, determination, optimism, and the resilience of the human spirit, set in a small Normandy village on the eve of D-Day. On June 5, 1944, as dawn rises over a small town on the Normandy coast of France, Emmanuelle is making the bread that has sustained her fellow villagers in the dark days since the Germans invaded her country. Only twenty-two, Emma learned to bake at the side of a master, Ezra Kuchen, the village baker since before she was born. Apprenticed to Ezra at thirteen, Emma watched with shame and anger as her kind mentor was forced to wear the six-pointed yellow star on his clothing. She was likewise powerless to help when they pulled Ezra from his shop at gunpoint, the first of many villagers stolen away and never seen again. In the years that her sleepy coastal village has suffered under the enemy, Emma has silently, stealthily fought back. Each day, she receives an extra ration of flour to bake a dozen baguettes for the occupying troops. And each day, she mixes that precious flour with ground straw to create enough dough for two extra loaves—contraband bread she shares with the hungry villagers. Under the cold, watchful eyes of armed soldiers, she builds a clandestine network of barter and trade that she and the villagers use to thwart their occupiers. But her gift to the village is more than these few crusty loaves. Emma gives the people a taste of hope—the faith that one day the Allies will arrive to save them.  
Routledge  
Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan. Gatsby continues to attract popular and scholarly attention. The novel was most recently adapted to film in 2013 by director Baz Luhrmann, while modern scholars emphasize the novel's treatment of social class, inherited wealth compared to those who are self-made, race, environmentalism, and its cynical attitude towards the American dream. As with other works by Fitzgerald, criticisms include allegations of antisemitism. The Great Gatsby is widely considered to be a literary masterwork and a contender for the title of the Great American Novel.  
The Great Gatsby: A Graphic Novel Adaptation HarperPerennial  
A sumptuously illustrated adaptation casts the powerful imagery of F. Scott Fitzgerald ' s great American novel in a vivid new format. From the green light across the bay to the billboard with spectacled eyes, F. Scott Fitzgerald ' s 1925 American masterpiece roars to life in K. Woodman-Maynard ' s exquisite graphic novel—among the first adaptations of the book in this genre. Painted in lush watercolors, the inventive interpretation emphasizes both the extravagance and mystery of the characters, as well as the fluidity of Nick Carraway ' s unreliable narration. Excerpts

from the original text wend through the illustrations, and imagery and metaphors are taken to literal, and often whimsical, extremes, such as when a beautiful partygoer blooms into an orchid and Daisy Buchanan pushes Gatsby across the sky on a cloud. This faithful yet modern adaptation will appeal to fans with deep knowledge of the classic, while the graphic novel format makes it an ideal teaching tool to engage students. With its timeless critique of class, power, and obsession, The Great Gatsby Graphic Novel captures the energy of an era and the enduring resonance of one of the world ' s most beloved books.  
The Namesake Cambridge University Press  
This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.  
How to Read Literature Like a Professor Revised Candlewick Press  
Soon to be a major motion picture from Academy Award – winning director Guillermo del Toro and starring Bradley Cooper, Cate Blanchett, Rooney Mara, and Toni Collette. Nightmare Alley begins with an extraordinary description of a carnival-show geek—alcoholic and abject and the object of the voyeuristic crowd ' s gleeful disgust and derision—going about his work at a county fair. Young Stan Carlisle is working as a carnym, and he wonders how a man could fall so low. There ' s no way in hell, he vows, that anything like that will ever happen to him. And since Stan is clever and ambitious and not without a useful streak of ruthlessness, soon enough he ' s going places. Onstage he plays the mentalist with a cute assistant (before long his harried wife), then he graduates to full-blown spiritualist, catering to the needs of the rich and gullible in their well-upholstered homes. It looks like the world is Stan ' s for the taking. At least for now.  
A Lively and Entertaining Guide to Reading Between the Lines Applewood Books  
Under the Red, White, and Blue was F. Scott Fitzgerald's final choice for the novel we all know as, The Great Gatsby. This particular edition aims to achieve Fitzgerald's last known wishes for the novel, if such a thing exists. The Introduction discusses Fitzgerald's struggle with the title as well as the influence of the original cover art and its artist, Francis Cugat.  
Netherland Oxford University Press  
A collection of "commercial short stories F. Scott Fitzgerald published before he began to work on what would become his great American novel, The Great Gatsby."--Back cover.  
The Miserable Mill Bloomsbury Publishing  
Relates the incredible adventures of Professor William Waterman Sherman who in 1883 sets off in a balloon across the Pacific, survives the volcanic eruption of Krakatoa, and is eventually picked up in the Atlantic.  
Nightmare Alley Good Press  
Dreams and Dead Ends provides a compelling history of the twentieth-century American gangster film. Beginning with Little Caesar (1930) and ending with Things To Do In Denver When You're Dead (1995), Jack Shadoian adroitly analyzes twenty notable examples of the crime film genre. Moving chronologically through nearly seven decades, this volume offers illuminating readings of a select group of the classic films--including The Public Enemy, D.O.A., Bonnie and Clyde, and The Godfather--that best define and represent each period in the development of the American crime film. Richly illustrated with more than seventy film stills, Dreams and Dead Ends details the evolution of the genre through insightful and precise considerations of cinematography, characterization, and narrative style. This updated edition includes new readings of three additional movies--Once Upon a Time in America, Things To Do In Denver When You're Dead, and Criss Cross--and brings this clear and lively discussion of the history of the gangster film to the end of the twentieth century.  
For I Am Yours Harpercollins  
The Satyricon is a Latin work of fiction in a mixture of prose and poetry. It is believed to have been written by Gaius Petronius Arbiter, though the manuscript tradition identifies the author as a certain Titus Petronius. As with the Metamorphoses of Apuleius, classical scholars often describe it as a "Roman novel", without necessarily implying continuity with the modern literary form. The surviving portions of the text detail the misadventures of the narrator, Encolpius, and his lover, a handsome sixteen-year-old boy named Giton. Throughout the novel, Encolpius has a hard time keeping his lover faithful to him as he is constantly being enticed away by others. Encolpius's friend Ascyltus (who seems to have previously been in a relationship with Encolpius) is another major character. Of the many masterpieces which classical antiquity has bequeathed to modern times, few have attained, at intervals, to such popularity; few have so gripped the interest of scholars and men of letters, as has this scintillating miscellany known as the Satyricon, ascribed by tradition to that Petronius who, at the court of Nero, acted as arbiter of elegance and dictator of fashion. The flashing, wit, the masterly touches which bring out the characters with all the detail of a fine old copper etching; the marvelous use of realism by this, its first prophet; the sure knowledge of the perspective and background best adapted to each episode; the racy style, so smooth, so elegant, so simple when the educated are speaking, beguile the reader and blind him, at first, to the many discrepancies and incoherences with which the text, as we have it, is marred. The more one concentrates upon this author, the more apparent these faults become and the more one regrets the lacunae in the text. Notwithstanding numerous articles which deal with this work, some from the pens of the most profound scholars, its author is still shrouded in the mists of uncertainty and conjecture. He is as impersonal as Shakespeare, as aloof as Flaubert, in the opinion of Charles Whibley, and, it may be added, as genial as Rabelais; an enigmatic genius whose secret will never be laid bare with the resources at our present command.
