Wicked and glamorous, Lorelei Lee is the kind of girl who always gets what she wants, and these immortal diaries tell us how she does it. Traveling through Europe with her friend Dorothy, she meets everyone from the Prince of Wales to 'Dr Froyd' and 'Sinclare Lewis'. After many outrageous adventures she returns home to marry a millionaire and become a movie star.

[The Satyricon](#) BookRix

Publisher Description (unedited publisher data) Eleven specially-commissioned essays by major Fitzgerald scholars present a clearly written and comprehensive assessment of F. Scott Fitzgerald as a writer and as a public and private figure. No aspect of his career is overlooked, from his first novel published in 1920, through his more than 170 short stories, to his last unfinished Hollywood novel. Contributions present the reader with a full and accessible picture of the background of American social and cultural change in the early decades of the twentieth century. The introduction traces Fitzgerald's career as a literary and public figure, and examines the extent to which public recognition has affected his reputation among scholars, critics, and general readers over the past sixty years. This is the only volume that offers undergraduates, graduates and general readers a full account of Fitzgerald's work as well as suggestions for further exploration of his work. Library of Congress subject headings for this publication: Fitzgerald, F, Scott (Francis Scott), 1896-1940 Criticism and interpretation Handbooks, manuals, etc.

*Second-class Citizen* New York Review of Books  
"Born blind in Vietnam, Julie Yip-Williams narrowly escaped euthanasia by her grandmother, only to then flee the political upheaval of the late

1970s with her family. Loaded into a rickety boat with three hundred other refugees, Julie made it to Hong Kong and, ultimately, America, where a surgeon at UCLA gave her partial sight. Against all odds, she became a Harvard-educated lawyer, with a husband, a family, a life. Then, at age thirty-seven, with two little girls at home, Julie was diagnosed with terminal metastatic colon cancer, and a different journey began. *The Unwinding of the Miracle* is the story of a vigorous life refracted through the prism of imminent death. Motherhood, marriage, ambition, love, wanderlust, tennis, grief, jealousy, anger, comfort, pain, disease--there is simply nothing this book is not about. Growing out of a blog Julie has kept through the past four years of her life (undertaken because she couldn't find the guidance she needed through her disease), this is the story of a life lived so well, and cut too short. It is inspiring and instructive, delightful and shattering. It is a book of indelible moments, seared deep. With glorious humor, beautiful and bracing honesty, and the cleansing power of well-deployed anger, Julie Yip-Williams has set the stage for her lasting legacy and one final miracle: the story of her life"--

**The Cambridge Companion to F. Scott Fitzgerald** Cambridge University Press

Relates the incredible adventures of Professor William Waterman Sherman who in 1883 sets off in a balloon across the Pacific, survives the volcanic eruption of Krakatoa, and is eventually picked up in the Atlantic.

*Critical Theory Today* Anchor

Throughout history, some books have changed the world. They have transformed the way we see ourselves - and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are. Thoreau's account of his solitary and self-sufficient home in the New England woods remains an inspiration to the environmental movement - a call to his fellow men to abandon their striving, materialistic existences of 'quiet desperation' for a simple life within their means, finding spiritual truth through awareness of the sheer beauty of their surroundings.

*The Rising Tide of Color Against White World-supremacy* Egmont Books (UK)

The *Satyricon* is a Latin work of fiction in a mixture of prose and poetry. It is believed to have been written by Gaius Petronius Arbiter, though the manuscript tradition identifies the author as a certain Titus Petronius. As with the *Metamorphoses* of Apuleius, classical scholars often describe it as a "Roman novel", without necessarily implying continuity with the modern literary form. The surviving portions of the text detail the misadventures of the narrator, Encolpius, and his lover, a handsome sixteen-year-old boy named Giton.

Throughout the novel, Encolpius has a hard time keeping his lover faithful to him as he is constantly being enticed away by others. Encolpius's friend Ascyltus (who seems to have previously been in a relationship with Encolpius) is another major character. Of the many masterpieces which classical antiquity has bequeathed to modern times, few have attained, at intervals, to such popularity; few have so gripped the interest of scholars and men of letters, as has this scintillating miscellany known as the *Satyricon*, ascribed by tradition to that Petronius who, at the court of Nero, acted as arbiter of elegance and dictator of fashion. The flashing, wit, the masterly touches which bring out the characters with all the detail of a fine old copper etching; the marvelous use of realism by this, its first prophet; the sure knowledge of the perspective and background best adapted to each episode; the racy style, so smooth, so elegant, so simple when the educated are speaking, beguile the reader and blind him, at first, to the many discrepancies and incoherences with which the text, as we have it, is marred. The more one concentrates upon this author, the more apparent these faults become and the more one regrets the lacunae in the text. Notwithstanding numerous articles which deal with this work, some from the pens of the most profound scholars, its author is still shrouded in the mists of uncertainty and conjecture. He is as impersonal as Shakespeare, as aloof as Flaubert, in the opinion of Charles Whibley, and, it may be added, as genial as Rabelais; an enigmatic genius whose secret will never be laid bare with the resources at our present command.

[The Great Stone Face](#) Applewood Books

Forbidden to make images, fourteen-year-old Tao, the boy with the bad foot, yearns to be a cave painter, recording the figures of the mammals, rhinos, bison, and other animals of his prehistoric times.

*The Unwinding of the Miracle*

Evolution, Cognition, and the

This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

A NEW YORK TIMES BOOK REVIEW

BEST BOOK OF THE YEAR •

WINNER OF THE PEN/FAULKNER

AWARD • "Netherland tells the fragmented story of a man in exile—from

home, family and, most poignantly, from himself." —Washington Post Book

World In a New York City made

phantasmagorical by the events of

9/11, and left alone after his English

wife and son return to London, Hans

van den Broek stumbles upon the

vibrant New York subculture of cricket,

where he revisits his lost childhood

and, thanks to a friendship with a

charismatic and charming Trinidadian

named Chuck Ramkisson, begins to

reconnect with his life and his adopted

country. As the two men share their

vastly different experiences of

contemporary immigrant life in America,

an unforgettable portrait emerges of an

"other" New York populated by

immigrants and strivers of every race

and nationality.

*Bernice Bobs Her Hair* Illustrated

Simon and Schuster

A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. How to Read Literature Like a Professor helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate professional reader: the college professor. What does it mean

when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

*The Boy of the Painted Cave* Copp Clark

A tale beautifully, wisely, and masterfully told." — Paula McLain, author of *The Paris*

*Wife* and *Circling the Sun* From the

multiple-award-winning, critically acclaimed author of *The Hummingbird* and

*The Curiosity* comes a dazzling novel of

World War II—a shimmering tale of

courage, determination, optimism, and the

resilience of the human spirit, set in a

small Normandy village on the eve of D-

Day. On June 5, 1944, as dawn rises over

a small town on the Normandy coast of

France, Emmanuelle is making the bread

that has sustained her fellow villagers in

the dark days since the Germans invaded

her country. Only twenty-two, Emma

learned to bake at the side of a master,

Ezra Kuchen, the village baker since

before she was born. Apprenticed to Ezra

at thirteen, Emma watched with shame

and anger as her kind mentor was forced

to wear the six-pointed yellow star on his

clothing. She was likewise powerless to

help when they pulled Ezra from his shop

at gunpoint, the first of many villagers

stolen away and never seen again. In the

years that her sleepy coastal village has

suffered under the enemy, Emma has

silently, stealthily fought back. Each day,

she receives an extra ration of flour to

bake a dozen baguettes for the occupying

troops. And each day, she mixes that

precious flour with ground straw to create

enough dough for two extra

loaves—contraband bread she shares with

the hungry villagers. Under the cold,

watchful eyes of armed soldiers, she

builds a clandestine network of barter and

trade that she and the villagers use to

thwart their occupiers. But her gift to the

village is more than these few crusty

loaves. Emma gives the people a taste of

hope—the faith that one day the Allies will

arrive to save them.

## Books

Tales of the Jazz Age (1922) is a collection of eleven short stories by F. Scott Fitzgerald. Divided into three separate parts, according to subject matter, it includes one of his better-known short stories, "The Curious Case of Benjamin Button". All of the stories had been published earlier, independently, in either Metropolitan Magazine (New York), Saturday Evening Post, Smart Set, Collier's, Chicago Sunday Tribune, or Vanity Fair.

### *For I Am Yours* BoD E-Short

Based on actual letters Fitzgerald sent to his sister to help her on how to be more attractive for men, "Bernice Bobs Her Hair" is the story of a socially hopeless girl being changed into a socially attractive girl to end up attracting the boy of her helper. The story is a depiction of the changing face of youth during Fitzgerald's time and has been adapted into several movies as it remains a story that impressed all readers over the years.

### A Book of Practical Counsel Oxford University Press

Bringing together established Fitzgerald scholars from the United Kingdom, Europe and North America, this collection offers eleven new readings of F. Scott Fitzgerald's 1934 novel, *Tender is the Night*. While *The Great Gatsby* continues to attract more attention than the rest of Fitzgerald's oeuvre combined, persistent, if infrequent, writings on *Tender is the Night* from the 1950s onwards indicate that, like *Gatsby*'s green light, Fitzgerald's fourth novel continues both to perplex and intrigue. In addition to the inevitable biographical interpretations, the novel has, in myriad readings, been viewed as: a marriage novel, a text of disturbed psychology, a text nostalgically marking the passing of a talent and a time, an outdated "Jazz Age" story, and "the great novel about American history". This new collection of essays opens criticism of *Tender Is the Night* to a new generation of scholars providing new ways for readers to appreciate this complex, compelling, and profound work. Contributors include edi

### A User-Friendly Guide Routledge

Soon to be a major motion picture from Academy Award-winning director Guillermo del Toro and starring Bradley Cooper, Cate Blanchett, Rooney Mara, and Toni Collette. *Nightmare Alley* begins with an extraordinary description of a carnival-show geek—alcoholic and abject and the object of the voyeuristic crowd's gleeful disgust and derision—going about his work at a county fair. Young Stan Carlisle is working as a carny, and he wonders how a man could fall so low.

There's no way in hell, he vows, that anything like that will ever happen to him. And since Stan is clever and ambitious and not without a useful streak of ruthlessness, soon enough he's going places. Onstage he plays the mentalist with a cute assistant (before long his harried wife), then he graduates to full-blown spiritualist, catering to the needs of the rich and gullible in their well-upholstered homes. It looks like the world is Stan's for the taking. At least for now.
