Celebrate the 25th anniversary of this
Newbery and Coretta Scott King Honoree
about a hilarious family on a road-trip at one
of the most important times in America's
history. This special edition makes a perfect
gift and includes bonus content! Enter the
hilarious world of ten-year-old Kenny and his
family, the Weird Watsons of Flint, Michigan.
There's Momma, Dad, little sister Joetta, and
brother Byron, who's thirteen and an "official

juvenile delinquent." When Byron gets to be
too much trouble, they head South to
Birmingham to visit Grandma, the one person
who can shape him up. And they'll be in
Birmingham during one of the darkest
moments in America's history. "Every so often
a book becomes a modern classic almost as
soon as it arrives on bookshelves. That
happened in the mid-'90s when Christopher
Paul Curtis released his first book, *The
Watsons Go to Birmingham--1963*." --NPR
"One of the best novels EVER." --Jacqueline
Woodson, Newbery Honor and National
Book Award – winning author of *Brown Girl
Dreaming*

The perfect way to review for the AFQT
whether you have two months, one month,
or even one week left to prepare! The
AFQT consists of four critical subtests of the
ASVAB which count toward the AFQT
(Armed Forces Qualifying Test) score. This
score determines which U.S. service a test
taker is eligible to enlist in. More than one
million people per year participate in the
ASVAB qualifying program. Features of this
plan-to-ace-the-test product include: Timed,
boxed calendars for preparing to take the
test—two-month study calendar, one-month

study calendar, and one-week study calendar
Diagnostic test that helps test-takers pinpoint strengths and weaknesses so they can focus their review on topics in which they need the most help
Subject reviews that succinctly cover need-to-know topics on the test
Model practice test with answers and explanations

 Thirty-five reproducible activities per guide reinforce basic reading and comprehension skills while teaching high-order critical thinking. Also included are teaching suggestions, background notes, summaries, and answer keys. The guide is digital and only available on CD-ROM; simply print the activities you need for each lesson.
Timeless Classics--designed for the struggling reader and adapted to retain the integrity of the original classic. These classic novels will grab a student's attention from the first page. Included are eight pages of end-of-book activities to enhance the reading experience.

Hatchet Saddleback Educational Publishing
 The 'law-language-law' theme is deeply engraved in Occidental culture, more so than contemporary studies on the subject currently illustrate. This insightful book creates awareness of these cultural roots and shows how language and themes in law can be richer than studying a simple mutuality of motives. Rethinking Law and Language unveils today's problems with the two faces of language: the analogue and the digital, on the basis of which our smart phones and Artificial Intelligence create modern life.

The Watsons Go to Birmingham--1963 Edward Elgar Publishing
 Hailed by The New York Times as "a compelling

dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. Publisher's Weekly acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

	Revelation. What was John's message?
	What was its literary form? Did he write to

a persecuted minority or to Christians enjoying the social and material benefits of the Roman Empire? In search of answers to these penetrating questions, Thompson critically examines the language, literature, history, and social setting of the Book of the Apocalypse. Following a discussion of the importance of the genre apocalypse, he closely analyzes the form and structure of the Revelation, its narrative and metaphoric unity, the world created through John's visions, and the social conditions of the empire in which John wrote. He offers an unprecedented interpretation of the role of boundaries in Revelation, a reassessment of the reign of the Emperor Domitian, and a view of tribulation that integrates the literary vision of Revelation with the reality of the lives of ordinary people in a Roman province. Throughout his study, Thompson argues that the language of Revelation joins the ordinary to the extra-ordinary, earth to heaven, and local conditions to supra-human processes.

Sessional Papers Printed by Order of the House of Lords: Minutes of Proceedings ... Public Bills ... Reports from Committees ... Miscellaneous Pearson UK

"Feasting on the Word offers pastors focused resources for Sermon preparation, written by companions on the way. With four different essays on each of the four biblical texts assigned by the Revised Common Lectionary, this series offers preachers sixteen different ways into the proclamation of God's Word on any given occasion. For each reading, preachers will find brief essays on the exegetical, theological, homiletical, and pastoral challenges of the text. The page layout is unusual. By setting the biblical passage at the top of the page and placing the essays beneath it, we mean to suggest the interdependence of these four approaches without granting priority to any one of them. Some readers may decide to focus on the Gospel passage, for instance, by reading all four essays provided for

that text. Others may decide to look for connections between the Hebrew Bible, Psalm, Gospel, and Epistle texts by reading the theological essays on each one. Wherever they begin, preachers will find what they need in a single volume produced by writers from a wide variety of disciplines and religious traditions. These authors teach in colleges and seminaries. They lead congregations. They write scholarly books as well as columns for the local newspaper. They oversee denominations. In all these capacities and more, they serve God's Word, joining the preacher in the ongoing challenge of bringing that Word to life.... We have been honored to work with a multitude of gifted thinkers, writers, and editors. We present these essays as their offering-and ours-to the blessed ministry of preaching."-From the introduction by David L. Bartlett, Barbara Brown Taylor

Acts of the Legislature of the Province of Manitoba American Bar Association

The relationship between divine sovereignty and the human will is a topic of perennial theological dispute and one that is gaining increased attention among contemporary evangelicals. In *Still Sovereign*, thirteen scholars write to defend the classical view of God's sovereignty. According to the editors, "Ours is a culture in which the tendency is to exalt what is human and diminish what is divine. Even in evangelical circles, we find increasingly attractive a view of God in which God is one of us, as it were, a partner in the unfolding drama of life. . . . In contrast, the vision of God affirmed in these pages is of one who reigns supreme over all, whose purposes are accomplished without fail, and who directs the course of human affairs, including the central drama of saving a people for the honor of his name, all with perfect holiness and matchless grace." The fourteen chapters of *Still Sovereign* (originally part of the two-volume, *The Grace of God, the Bondage of the Will*) are divided into three parts. Part 1 offers fresh exegesis of the biblical texts that bear most directly on the doctrines of election, foreknowledge, and perseverance of the saints. Part 2 explores theological and philosophical

issues related to effectual calling, prevenient grace, assurance of salvation, and the nature of God's love. The final section applies the doctrines of election and divine sovereignty to Christian living, prayers, evangelism, and preaching.

The Journal of the Arkansas Medical Society David Fickling Books

Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel *Hatchet* with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. *Hatchet* has also been nominated as one of America's best-loved novels by PBS's *The Great American Read*. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

The Journal of the Senate of the ... General Assembly of the State of Ohio ... BRILL

This book brings together the two disparate worlds of computational text analysis and biology and presents some of the latest methods and applications to proteomics, sequence analysis and gene expression data.

Modern genomics generates large and comprehensive data sets but their interpretation requires an understanding of a vast number of genes, their complex functions, and interactions. Keeping up with the literature on a single gene is a challenge itself—for thousands of genes it is simply impossible. Here, Soumya Raychaudhuri presents the techniques and algorithms needed to access and utilize the vast scientific text, i.e. methods that automatically read the literature on all the genes. Including background chapters on the necessary biology, statistics and genomics, in addition to practical examples of interpreting many different types of modern experiments, this book is ideal for students and researchers in computational biology, bioinformatics, genomics, statistics and computer science
